ALPINE 

A110 TOUR DE CORSE 75 //

The spirit of competition is re-interpreted in a limited edition of 150 units. The new Alpine A110 Tour de Corse 75 draws its inspiration from n°7 Berlinette which competed in the 1975 Tour de Corse.

Its iconic design and sporty interior are an invitation to take the wheel. The Alpine chassis and the 300 hp engine combine agility and performance to immerse you in the sensations of the 1975 Tour de Corse, the 10,000 turns rally.

The Alpine A110 Tour de Corse 1975 opens a new path towards the summits for lovers of aesthetical objects and sporty driving.

ICONIC SENSATIONS

A L

TR -

DETAILS

1. Subtly hidden in the pattern, the n°7 pays tribute to the second position achieved by the berlinette during the Tour de Corse of 1975.

Rear tyres	235/40 R18

Weight

Min. Kerb weight (min-max)	1,116 kg-1,119 kg
Gross vehicle mass	1,360 kg

Performances

Maximum speed	250 km/h
0-62 mph	4.2 s
0-1,000 meters	22.4 s

Consumption / Emissions⁽¹⁾

CO2 emissions	154-160 g/km
Fuel consumption	6,8-7/100 km

(1) WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however until April 2020 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration. Please contact your Alpine Centre for WLTP figures for any selected options. Renault UK Limited t/a Alpine does not offer tax advice and recommends that all Company Car Drivers consult their own accountant with regards to their particular tax position.
