

# A110 RALLY

# FOREWORDS

Dear Alpine customers,

After many seasons of success in Endurance racing, Signatech and Alpine have been reunited again on a big adventure with the launch of the new Alpine A110 Cup and GT4.

As the reborn of the A110 would not be complete without a rally version, Signatech has developed the A110 Rally from the experience of the track versions.

Result of more than 25 years of racing experience, A110 Rally has been designed with privateer teams in mind in order to provide the best performances and drivability together with an affordable running cost.

Enjoy this brochure, and feel free to contact us to share the Alpine way of life !
