DRIVE TO LE MANS 2026

THE 24 HOURS OF LE MANS CIRCUIT

A symbol of passion and excellence, the 24 Hours of Le Mans remains the privileged setting for Alpine's greatest stories. A legendary event in world motorsport, this race has shaped the brand's DNA and continues to inspire future generations.

In 2026, the Alpine Endurance Team invites you to experience this legend first-hand and share with us the intensity of a new season full of ambition, innovation and emotion.

2025, A SEASON OF PROGRESS AND SUCCESS

After a debut season in 2024, Alpine Endurance Team confirmed its status as a serious contender in the FIA World Endurance Championship [WEC] in 2025. The No. 35 and No. 36 A424s made significant progress in many areas, distinguishing themselves against the most prestigious manufacturers. In 2025, the No. 36 crew took the podium at the 6 Hours of Imola and repeated the feat at the 6 Hours of Spa, kicking off a winning streak that culminated in the historic victory of the No. 35 at the 6 Hours of Fuji.
