La version de logiciel du téléphone avec lequel le test a été réalisé est indiquée dans la liste de compatibilité. La présence d'une version de logiciel différente dans votre téléphone peut influencer sur les résultats.  
 The software version of the phone that was tested is given in this list. Results may vary if a different software version is used.

(1) Renault a choisi de faire tester ses systèmes par une société indépendante spécialisée dans les tests de compatibilité Bluetooth.  
 All Renault handsfree telephone systems are assessed by an independent company specialized in Bluetooth compatibility tests.

(2) DTMF : Dual Tone Modulation Frequency = fréquence vocale. Possibilité d'émission par le système de téléphonie mains-libres et le téléphone de codes sonores (par appui sur \*, #, ...) permettant le pilotage de serveurs vocaux (comme la messagerie opérateur).  
 DTMF: Dual Tone Modulation Frequency. Tones generated by the hands-free telephony system linked to the mobile phone for the control of vocal servers, such as the operator's voice mail.

Procédure d'appairage : pour en savoir plus, reportez-vous au manuel utilisateur de votre système de téléphonie ou contactez votre concessionnaire ou agent RENAULT agréé.  
 Pairing process: for more information, please read your system's user guide or contact your Renault Dealer
