DESIGNED FOR ADVENTURE

Elevated ground clearance marked wheel arches, and modular roof bars - Dacia Jogger boasts a robust design that adapts to all roads, designed for an action-packed family life.

Experience the adventure to the fullest with its EXTREME level, with an even more pronounced outdoor spirit: Copper Brown mirrors, alloy wheels, and a shark fin antenna coated in Glossy Black. A unique style signed by distinctive elements with topographical patterns for better identification.

In keeping with the times, the new model's Y-shaped brand light confirms its kinship with the new Dacia generation. The LED dipped headlights provide more intense lighting at night. At the rear, the vertical positioning of the lights broadens the tailgate opening, optimizing boot access.

Alloy wheels and topographical pattern stickers

Copper-Brown door mirror shells

Copper-Brown Dacia logo on the tailgate

MUCH MORE THAN FUNCTIONAL

Dacia Jogger's interior design is as functional as it is attractive. Its wide dashboard and sleek transverse textile strip⁽¹⁾ accentuate the impression of space. The lower area provides easy access to the air conditioning and driver assistance system controls. The rear boasts impressive versatility.

For a 100% elegant and dynamic style, allow yourself to be won over by its new EXTREME finish: washable MicroCloud plastic-coated fabric strip and upholstery with Copper Brown top-stitching and embossed Dacia emblem, Copper Brown front door mouldings, rear view camera, climate control, hands-free card, rubber floor mats and front door sills with topographic motifs.

And to prolong your escapade, get off the beaten track with the Extended Grip function, which increases traction on difficult roads (fresh snow, sand, mud, etc.).

TAKE ADVANTAGE OF JOGGER IN HYBRID VERSION

Once again, Dacia is in tune with the times and simplifies your daily life with Jogger available with a hybrid powertrain. A first for Dacia. The result? A family hybrid with 7 seats at an affordable price.

On board, the atmosphere and technologies make your journey pleasant: automatic gearbox for easy and smooth driving, 7" color meter, high central console with armrest and electric parking brake. With Jogger HYBRID 140, enjoy innovative equipment and optimized comfort.

Multimode gearbox

7" Colour cluster with driving mode information

IN HYBRID, DISCOVER MORE FREEDOM

Forget about the connections while enjoying the benefits of electric thanks to the hybrid that recharges while driving. The technology of Dacia Jogger HYBRID 140 combines the dynamism of a thermal engine with that of an electric engine. Drive in urban areas in electric mode up to 80% of the time and achieve up to 40% fuel savings⁽¹⁾.

In addition to reduced CO₂ emissions, you will also benefit from restricted usage and maintenance costs. The multimode gearbox offers intelligent management of the two engines for powerful, smooth and quieter driving. Hybrid is simple with Dacia.

1. 100% electric driving: only the electric motor drives the wheels.
2. Sustained driving / strong acceleration: the thermal and electric motors operate simultaneously.
3. Deceleration / braking: the electric motor recharges the battery.
4. Stabilized speed: the thermal engine operates at its optimal speed to drive the wheels and recharge the battery.

(1) Depending on driving conditions.

COMFORT MULTIPLIED BY 7

Dacia Jogger embraces the whole family: it takes everyone's needs into account, offering the same level of comfort in all rows. The sculpted seats – adjustable at the front – promise fatigue-free travel for all seven occupants. Dacia Jogger also stands apart through well thought-out details and spaciousness.

In the second row, everything is designed to evolve with your family: sliding aeroplane shelves⁽¹⁾ with cup holders and ultra-practical Isofix attachments for child seats. Record accessibility in the third row, where two individual seats with armrests uncompromisingly accommodate two adults with generous knee room. Storage spaces are distributed throughout the passenger compartment for the benefit of all passengers. Dacia Jogger adds a new dimension to your on-board experience.

Rear sliding and folding aeroplane shelves⁽¹⁾

(1) Depending on version.

RECORD MODULARITY

Dacia Jogger as a versatile car that offers a unique volume and versatility. The third-row rear seats are removable in the 7-seater version, the 3-seater bench is foldable 1/3-2/3 in the second row, and multiple configurations are possible in 2, 3, 4, 5, 6 or 7 seats according to your needs. A true Swiss Army knife!

When it comes to luggage space, enjoy a volume of up to 2,085 liters and a loading height that can accommodate everything you take with you. And in its hybrid version, there is no compromise on space, thanks to the clever placement of the battery under the floor.

Trust Jogger to simplify your adventures.

As spacious and with same options of modularity as the other versions

ESCAPE INTO THE NIGHT

Get closer to nature with the Sleep pack, which is part of our Dacia InNature offer. Consisting of a 3-in-1 box, this pack includes a fold-out bed that is easy to install. In less than two minutes, turn your Dacia Jogger into a bedroom for two.

Get a good night's sleep on a 190x130cm mattress. Blackout blinds provide privacy as well as darkness. Whether the bed is folded out or not, the 220-litre storage compartment remains unaffected. Having a picnic is easy thanks to the removable rear shelf. Do you need a more spacious base camp? An external tent can be connected to Jogger when the trunk is open. Discover a new form of adventure. The Sleep pack is compatible with all versions of Jogger.

SELECT YOUR MULTIMEDIA PREFERENCES

Dacia Jogger has three comprehensive multimedia offers, so it's up to you to choose what you want: the clever new Media Control, controlled from your smartphone and integrated into the design of the dashboard, allows you to control the radio, music, Bluetooth® connection, USB and telephony. Media Display adds voice recognition to its 8" touchscreen. Media Nav supplements its features with built-in navigation.

The system of your choice provides the essentials and more, right up to AndroidAuto™ and Apple CarPlay™ compatibility. The latter is available wired on Media Display and with Wi-Fi on Media Nav. You can also enjoy enhanced sound with six speakers located throughout the cabin, available on Media Nav.

DRIVE IN COMPLETE SAFETY

At Dacia, safety has always been at the heart of our concerns. Built on the latest platform designed for our vehicles, Dacia Jogger has a reinforced body structure and new-generation assistance systems. Using the My Safety button you can deactivate some of these aids. With Dacia, drive with peace of mind.

AUTOMATIC EMERGENCY BRAKING WITH PEDESTRIAN/CYCLIST DETECTION

This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

LANE KEEPING ASSIST

This assistance system (which can be disabled) monitors the vehicle's path in its lane and corrects it if necessary by automatically steering it.

DRIVER FATIGUE DETECTION SYSTEM

This helps warn the driver if fatigue is detected by analysing several parameters – including movements of the steering wheel – to encourage them to take a break.

TRAFFIC SIGN RECOGNITION WITH SPEED ALERT

This system provides a reliable real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

06. AMBIANCES

ESSENTIAL

MAIN EQUIPMENT ESSENTIAL

EXTERNAL APPEARANCE

- Black grille with Dacia logo and white Stepway inscription
- LED signature light
- Automatic LED daytime running lights
- 16" Atara Flexwheels
- Body-coloured front/rear bumpers
- Megalith Grey front/rear skid plates
- Black exterior door handles
- Black door mirrors
- Modular longitudinal roof bars (Megalith Grey)

INTERIOR DESIGN

- Black air vent surrounds with orange centre
- Black interior door handles
- Rear bench with 1/3-2/3 folding and split function
- Specific stepway upholstery with contrast stitching

ACTIVE AND PASSIVE SAFETY

- "My Safety" button to manage driving aids
- Anti-lock Braking System (ABS) and Emergency Brake Assist (EBA)
- Automatic emergency braking (AEBS) with pedestrian/cyclist detection
- Electronic Stability Control (ESC) with Hill Start Assist (HSA)
- Emergency call (E-call)
- Event (accident) data recorder
- Alcohol immobiliser predisposition
- Traffic sign recognition with speed alert/Intelligent Speed Assist (ISA)
- Lane Departure Warning (LDW) + Lane Keep Assist (LKA)
- Driver attention alert
- Front/rear "Rescue Code®" QR Code
- Driver's front airbag/deactivatable passenger front airbag
- Shoulder and curtain side airbags
- Rear parking sensors
- Tyre pressure monitor
- Tyre inflation kit

- Isofix child seat mounting system on rear outer seats
- Front and rear lateral seat belts with pre-tensioner and load limiter

DRIVING AND CONTROLS

- Electrical power-assisted steering
- Stop & Start, ECO Mode
- On-board computer: distance travelled, average speed, range, average consumption (including LPG for Bi-Fuel versions)
- Rain and light sensors
- Cruise control and speed limiter with audible warning

VISIBILITY

- Door mirrors with interior manual adjustment

COMFORT

- Manual heating and air conditioning system
- Remote central locking of doors and automatic locking when driving
- Front electric driver and passenger windows
- Rear 12 V socket in boot
- Height and depth- adjustable steering wheel
- Height adjustable driver seat

MULTIMEDIA AND AUDIO

- New Media Control: DAB radio with steering wheel controls, jack socket and 2 speakers, Bluetooth® telephone system with satellite controls on the steering wheel, fixed smartphone holder on the dashboard, new Dacia Media Control smartphone app

OPTION

- Spare wheel
- Paint colours available in Glacier White (Solid), Pearl Black (Metallic), and Shadow Grey (Metallic)

EXPRESSION

MAIN EQUIPMENT EXPRESSION = ESSENTIAL +

EXTERNAL APPEARANCE

- Body coloured exterior door handles
- Body coloured door mirrors
- Specific decal on front doors
- Side protection stickers
- 16" Atara flexwheel

INTERIOR DESIGN

- Fog Grey air vent surrounds with orange centre

06 ENGINES

HYBRID 140

TcE 110

ENGINES			
Energy	Petrol	Electric	Petrol
Max. power kW EEC (hp) at engine speed of (rpm)		105kW (140) at 5,600 rpm	81 kW/5,000-5,250 rpm
Maximum torque Nm EEC (m.kg) at an engine speed of (rpm)		148 Nm at 3,400 rpm + 205 Nm electric	200 Nm/2,900-3,500 rpm
Gearbox type	Automatic multimode		Manual
Injection type	Indirect atmospheric injection	-	turbo direct injection
Capacity (cm ³)	1,598	-	999
Number of cylinders/valves	4/16	-	3/12
Emission control standard	Euro6 D-final		

BATTERIES

Traction battery Lithium-ion / 230 V / 1.2 kWh

CHASSIS AND STEERING

Tyre size	205/60 R16 92H		
Steering - Turning circle between kerbs	11.7		
Front suspension	Pseudo McPherson with lower wishbone, spiral spring suspension with telescopic hydraulic shock absorbers and anti-roll bar		
Rear suspension	Semi-rigid axle with anti-roll bar spring suspension and telescopic hydraulic shock absorbers		

PERFORMANCE

Top speed (mph)	104	108
0-62 mph (s)	10.0	11.2
Mid-range acceleration: 50 mph - 75 mph (s) in 4th	8.8	8.9

FUEL CONSUMPTION AND EMISSIONS⁽¹⁾

Certification protocol	WLTP ⁽²⁾	
Fuel tank capacity (l)	50	50
CO ₂ emissions (g/km) Best case - Worst case	108/109	132
Consumption over combined cycle (l/100 mpg) Best case - Worst case	57.6/58.9	47.9/48.7

DIMENSIONS AND WEIGHTS

Minimum curb weight in running order	1,385	1,205
Maximum kerb weight in running order	1,406	1,261
Gross train weight (GTW)	2,745	3,062
Gross vehicle weight (GVW)	1,862	1,862
Max. braked towing weight	750	1,200

(1) Official consumption and emissions according to applicable regulations. (2) WLTP (Worldwide Harmonized Light Vehicle Test Procedures): this new protocol provides results much closer to those found in daily use compared to the NEDC protocol. CO₂ emissions are certified using a standard, regulated method. This method is identical for all manufacturers and enables vehicles to be compared.
