# ALL-NEW DACIA

With a striking look and packed with interior equipment. Dacia's bold electric vehicle is causing a stir. Strong and stylish, its compact SUV look stands out from the rest and asserts itself from every angle with its high ground clearance, reinforced wing and grille protections, and 15" wheels.

The emblematic Y-shaped lighting signature energises the front-end, which is just as ready to devour the city as it is to explore the countryside.

### **Urban-inspired front bumper**

#### LED lights with Y signature

Side protection

**01.** DESIGN

# INTERIOR EXPERIENCE

With everything close to hand the interior focuses on ergonomics, aesthetics and perceived quality. The coloured elements and backlit controls add to the personality of the interior.

The functional design of the dashboard is structured around the 10.1" multimedia display and the 7" digital on-board computer on which all vehicle information is shown. The e-shifter gear selector, height-adjustable steering wheel and range of upholstery creates a distinctive style.

e-shifter gear lever

### **02. DRIVING PLEASURE**

# ELECTRIC LIFE

Silent and responsive driving, electric mobility is within everyone's reach with all new Dacia Spring. With its dual engine offer of 45 HP or 65 HP choose the one that suits you best.

In terms of performance, you can cover 140 miles in the WLTP combined cycle or 190 miles in the WLTP urban cycle without needing to recharge, go from 20% to 80% range in 45 minutes with the rapid charger\*. The new regenerative braking mode, "B Mode", recovers energy when you take your foot off the accelerator, and also when you apply the brakes to make driving easier. You can also take advantage of *power to object*, two-way charge V2L (Vehicle to load) technology that lets you connect your everyday electrical appliances to your all new Spring.

# *Power to object*, two-way charge V2L (Vehicle to load)\*

\*Standard with Electric 65 motor

# **03. CONNECTIVITY**

# EVEN MORE CONNECTED

Your journeys go without a hitch thanks to the Media Nav Live multimedia system, which simplifies your daily life. On its large 10.1" touchscreen, get navigation support with always up-to-date mapping and real-time traffic (included for 8 years). And to make your journeys easier, enjoying wireless smartphone mirroring (Android Auto™ or Apple CarPlay™). Finally, get comprehensive driving and consumption information on the new 7" digital on-board computer.

# Also enjoy convenient connected services so you

can schedule your charging or preheat your car remotely\* – all via your smartphone.

Always up-to-date navigation with real-time traffic

# **MY Dacia application**

\* Available depending on the country on versions with the central 10.1" screen. Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc.

# **05. DRIVER ASSISTANCE SYSTEMS**

# DRIVE IN COMPLETE SAFETY

New assistance systems are featured in the All New Dacia Spring to make driving even easier while constantly improve your safety. With the new My Safety button, manage some of these assistance features at any time. With Dacia, drive with peace of mind.

### AUTOMATIC EMERGENCY BRAKING WITH PEDESTRIAN/CYCLIST DETECTION

This system prevents the risk of frontal collisions involving other vehicles, pedestrians or cyclists straight ahead and at junctions. It alerts the driver and can automatically brake the vehicle if necessary.

# LANE KEEPING ASSIST

This assistance system monitors the vehicle's path in its lane and corrects it if necessary by automatically steering it.

# **DRIVER FATIGUE DETECTION SYSTEM**

This assistance system warns the driver if fatigue is detected and prompts them to take a break.

### TRAFFIC SIGN RECOGNITION WITH SPEEDING ALERT

This system provides a real-time indication of the maximum speed on the road and warns the driver if they exceed the speed limit with visual and audible alerts (which can be disabled).

# SPRING CARGO

Dacia Spring Cargo 100% electric is the utility version for professionals who want simplicity, reliability and robustness in every respect.

Its practicality stands out: 2 seats in the front, the entire rear is for business activities and for transporting goods. Emphasis on efficiency: sill protectors and reinforced boot mat, 4 lashing rings, and mesh separation partition. Its standard equipment is also generous: Media Nav Live multimedia system with 10.1" touchscreen, Bluetooth<sup>®</sup>, 2 USB sockets. On the outside, black grain-finish handles and door mirrors for optimum durability plus vehicle to load allowing you to power external appliances straight from the Spring.

# 140 MILES OF DRIVING RANGE<sup>(1)</sup>
