Service plans

Your local Dacia dealer is fully equipped to service your New Dacia Duster. A Dacia Service plan allows you to budget for the future cost of your routine servicing. We have a range of service plans to meet the needs of practically all of our customers*. For customers who prefer to budget their costs monthly and fund their new car through Dacia Finance, a monthly payment option** is also available.

Speak to your Dacia dealer for more information on these plans or a price for a time and mileage profile that best meets your needs.

* The Service plan offer is available for eligible retail vehicles only and valid at participating dealers only. Vehicle must be ordered between 1st January 2016 and 30th September 2016 and registered in 2016. The Dacia Service Plan covers the manufacturer's minimum maintenance programme requirements for the term of the plan purchased (refer to the Warranty and Service sheet in the Handover Document wallet for details). The plan ends when you reach the age or mileage limit (whichever comes first). Services must be carried out in line with the manufacturer's minimum maintenance programme requirements and servicing intervals within +/- 1 month or 1,000 miles of the service interval and can only be carried out at a Dacia Approved outlet. Service plans do not cover wear and tear items such as (but not limited to) tyres, wiper blades or brakes. To qualify you must order and purchase the Service plan from a Dacia Approved outlet before the first service or within the first 12 months (whichever comes first). Cannot be part exchanged, refunded or transferred. **The monthly Service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd, P.O. Box 149, Watford, WD17 1FJ. Guarantees and indemnities may be required. You must be at least 18 and a UK resident (excludes Isle of Man and Channel Islands) to apply. The service plan period must equal the finance agreement period. Subject to status, terms and conditions apply. <https://www.dacia.co.uk>

Paint protection

1 Dacia Gen3 Glasscoat

Washing will go some way to safeguarding your car's shine, but it is worth thinking about whether you can regularly commit to caring for your car. Dacia Paint Protection has been developed to not only protect the paintwork of your Dacia vehicle and help to keep it in showroom condition for years to come, but also take the hassle out of maintaining your car's alloy wheels, grills, mirrors, windows, lights.

Dacia Paint Protection has been tested and approved globally for Dacia cars and commercial vehicles to deal with all climatic conditions. Dacia Paint Protection is a ceramic coating which forms an invisible, but substantial barrier against dirt, acid rain, car wash brushes, bird matter and oxidization of your paintwork. Not only will it protect your paintwork but it can also be applied to your alloy wheels to keep them looking shiny.

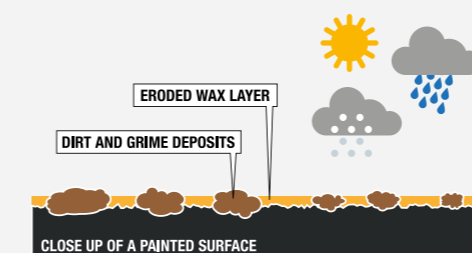

The product is guaranteed for 5 years, without the need to reapply. Just clean your car weekly or monthly. It only needs to be applied once and then you can forget it's there altogether. The only reason you will know your car is protected, will be down to the minimal amount of cleaning your car will need once applied.

Can you protect the inside?

Dacia Paint Protection also protects the upholstery of your car, covering seats, carpets and mats.

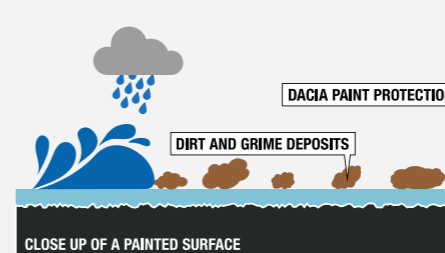

Dacia Silver Pack
Entry level pack, plus Small After Care Case
77 11 433 823

UNPROTECTED

Wax on the surface is eroded by heat and rain. Dirt and grime become embedded in the paint surface making it difficult to remove. Tiny peaks and troughs hold the dirt within the paint.

PROTECTED

Dacia Paint Protection levels and protects the surface with a layer of ceramic coating. Dirt and grime now sit on the protected surface, unable to bite into the paint and run off easily when wet.
