PART NUMBER 7711 752 408 - JUNE 2019

More Duster than ever

We've spent the last six years listening to our community. They've told us everything we need to know about improving the Duster and we've listened. If we're being honest, we're quite impressed with ourselves.

With rugged new styling, completely redesigned interior and innovative tech, the All-New Dacia Duster is an adventure-seeking SUV that's ready for anything.

All-New **Dacia Duster**

All-New Duster. Ready for **adventure**

Nothing fazes the All-New Dacia Duster. Open road or off road*, it'll go wherever you want to go

With its dominant front grille, ready-for-anything roof bars and new 16[†] or 17-inch[^] alloy wheels, this SUV takes on any terrain – and makes it look easy. The added side protection, skid plates and front lighting signature will leave a lasting impression. Ready to go?

*4x4 versions only †Comfort trim only ^Prestige trim only

4X4 MONITOR^{*}
POSITION OF THE CAR
DURING OFF-ROAD DRIVING

Off road? Of course

Climb, cross, descend...the All-New Dacia Duster will follow your lead. With high ground clearance, a rock-solid chassis and 4X4 mode, off road is never off limits. It's time to say good bye to the beaten track and make way for new discoveries.

^{*}4x4 versions only

All-New **Dacia Duster**

Travel **well-equipped**

Sometimes you're cruising down the motorway, sometimes you want to get off the main roads and explore uncharted territory*. Either way, the All-New Dacia Duster always knows how to respond.

Hill Start Assist makes light work of the steepest slopes, while the Hill Descent Control* keeps you on top of your speed. And because your eyes can't be in two places at once. The multiview camera detects objects around you. Talk about smooth sailing.

HILL START ASSIST

HILL DESCENT CONTROL*

MULTIVIEW CAMERA^

*4x4 versions only ^Prestige trim only

All booted up

Meet the perfect companion for any journey. Whether your weekend is about surfing, shopping or running the kids about, the All-New Dacia Duster's passenger compartment can be configured to carry everything you need.

With the 1/3-2/3 folding rear bench seat, the boot's loading capacity and 28.6 litres* of storage in the cabin, take what you want, where you want.

*4x2 versions only from Comfort & Prestige trims

Assist and control

We've added loads of new safety features to the All-New Dacia Duster.

All-New Dacia Duster now offers:

- New seat frames and larger front head rests for improved protection.
- New curtain airbags.
- Isofix for child seats with a new i-Size feature for extra peace of mind.
- New Seat Belt Reminder (SBR) with dashboard display and a warning sound if a seat belt is unfastened.
- New bumper damper and bonnet design for improved energy absorption in case of impact.
- Eight-percent larger door mirrors for better driver visibility.

[^]Standard from Prestige

The All-New Dacia Duster isn't just easy on the eye. It helps to keep you safe and sound behind the wheel, too.

Blind Spot Warning[^]

Kitted out with four ultrasound sensors, the All-New Dacia Duster lets you know when any vehicles at the back or side are between three and five metres away. If any danger is detected, a warning light flashes automatically in the door mirror, and if your indicator is on, a warning light flashes in the rear-view mirror. The system works between 30 km/h and 110 km/h.

Speed Limiter

Now you can drive under a pre-set speed without having to check your speedometer. Happy days.

Automatic headlight activation

The All-New Dacia Duster offers automatic headlight activation which helps provide a more relaxed safer drive. Bet that's brightened your day...

The height of comfort

The All-New Dacia Duster impresses inside and out. The electrical power-assisted steering offers a smooth driving experience, while the multiview camera[^] makes for perfect parking. Unlock the doors with a hands-free key card[^] and let the Climate Control[^] and heating keep you comfortable without lifting a finger.

When it comes to super comfortable seating, our designers really know what they're doing. Sink into plush seats with enhanced lateral support, armrest[†], denser foam, longer cushions and a new height-adjustment system[‡] that'll make every drive a joy. For ultimate comfort, heated and leather seats are available[^] as an option to keep you warm and comfortable throughout your journey.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year* warranty (or 100,000 km, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 5 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in Europe. This offer also stands for the first 3 years/100,000 km^Δ after you buy your new Dacia.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 20,000 km if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Extended warranty	Essential	Comfort	Prestige	Techroad
5 years / 100,000 km [†]	○	○	○	○
5 years / 150,000 km [†]	○	○	○	○

^{*}Dacia warranty ends when you reach the age or mileage limit (whichever comes first). Subject to status, terms and conditions apply. The monthly service plan offer is available at point of signing agreement for vehicle purchased under HP and PCP finance agreement provided by Dacia Finance Ltd. (Not available on cash purchases). For full Dacia Warranty Terms and Conditions visit <https://www.dacia.ie/services/dacia-after-sales/warranty>.

^Δ Standards Manufacturer term and mileage

[†] Available to purchase from first date of registration up to end of 2 years.

The engine room

Meet the boss under the bonnet

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

- The new **TCe 100** petrol engine is a great all-rounder
- 3 cylinder, 999cc engine offers you 100 hp and indicative figures of XX l/100km combined with CO₂ emissions of 178 g/km*
- For ultimate fuel efficiency, try the **Blue dCi 115** diesel engine
- An impressive 4.4 l/100km and CO₂ emissions of only 142 g/km*
- The new **TCe 130** petrol engine offers great performance
- Offering 130hp and a great 6.1 l/100km with CO₂ emissions of only 160 - 162 g/km*

Blue dCi Engines

All-New Dacia Duster benefits from the latest Blue dCi diesel engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting an urea-based fluid, AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via the specific Adblue filling cap located next to the usual Diesel fuel filler cap. A full tank of Adblue will last for 6 full tanks of Diesel.

*WLTP figures shown are for comparability purposes; only compare figures with vehicles tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however for 2019 the vehicle tax calculation is still based on the outgoing (NEDC) test cycle. The NEDC back translated CO₂ figures are available at your local dealer.

Bells and whistles

Get a custom-fit with our accessories*
You can get all of our accessories, and these packs, for the All-New Dacia Duster.

* Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

For accessories prices, please consult the online price guide.

DESIGN AND PROTECTION

- 1. SIDE STEPS:** Go trailblazing and treat yourself to an adventurer's style. A functional accessory that makes it easier to access your vehicle and its roof. They also protect the bodywork from small daily impacts. Side steps non-compatible with mud flaps.
- 2. OFF ROAD PACK:** Enhance the adventurous look of your Duster by adding even more character. Protect the bodywork of your vehicle and enjoy the great outdoors! (Content: wheel arch mouldings, side protections)
- 3. STYLING PACK :** Protect your Duster from small daily impacts and give it a powerful look with front and side styling chrome bars.
- 4. ILLUMINATED DOOR SILLS:** Elegance and modernity every time you open the door. White time-delayed lighting on your sills turns heads day or night.
- 5. BOOT SILL PROTECTOR:** Cover and protect the rear bumper with an aesthetically appealing and tailor-made accessory. Embossed and polished stainless steel, it adds a designer touch to the rear of your vehicle.

Smart and practical

COMFORT AND PROTECTION

6. MUD FLAPS: Effectively protect the underbody of your vehicle from water splashes, mud splatters and flying gravel. Mud flaps non-compatible with side steps.

7. BOOT LINER: Ideal for transporting dirty items. It effectively protects the original carpet and fits the shape of your vehicle's boot. This functional accessory is easy to install and clean.

8. ALL-IN-ONE BOOT LINER: Non-slip and waterproof, it is essential for protecting your vehicle's boot and for transporting bulky and dirty items! It folds and unfolds easily, adapting to the rear seat position. Once fully unfolded, it covers the entire loading space. Multipurpose and functional for daily use or leisure activities.

9. RUBBER MATS: Waterproof and easy to maintain; they protect your interior while extending its life.

10. PREMIUM MATS: Treat yourself with the quality of top-of-the-range materials. Premium carpet and finish with white branding and embroidery.

11. ALARM: Perimeter and volumetric protection can help discourage thieves from attempting to steal your Dacia, or any items inside the cabin.

* Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.

For accessories prices, please consult the online price guide.

TRANSPORT AND SAFETY

12. PET PACK: Includes boot liner & Partition Grille. The grille effectively separates the boot and the passenger compartment. Ideal for transporting your pet.

13. SWAN NECK TOW BAR: Vital for safely towing or carrying your equipment such as a bicycle rack, trailer, boat, caravan and professional equipment.

14. TOW BAR MOUNTED BICYCLE RACK: Easily mounted on the towbar, no adjustments needed, it's the safest way to carry up to 3 bikes. Folds and tilts to ensure the boot is always accessible even when there are bicycles on the bicycle rack.

15. ROOF BOX: Increase the loading volume of your vehicle and travel without compromise! Practical, sturdy, and aesthetically pleasing – all the qualities you need. Secured with a lock to protect your possessions inside. Colour: black embossed. Roof bars required.

* Accessories are fitted post-production, and may have an impact on real world fuel (actual) consumption and CO₂ figures.
