

Dacia Logan MCV

Smart meets **spacious**

Small price, big boot(y)

You want a spacious motor. You don't want to pay through the nose. But the car market didn't give you both. That's why we built the New Dacia Logan MCV.

It's the lowest price on the market for its size, has a 573 litre boot (big enough to carry a whole family's suitcases) and it's even pretty affordable to run.

So suave you'll want to show it off, comfortable enough for long journeys, and you can customise it with the tech, trims and features you need. Talk about having your cake and eating it.

Dacia **Logan MCV**

A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

Get out **there**

Some cars are good for airport runs and family camping trips. Some cars are good for nipping around town and short commutes. Then there's the Logan MCV.

Load up and hit the open road on family adventures. There's plenty of room for everyone and everyone's stuff. You'll soon find tents, bikes, furry friends and more all fit onboard easily.

If the going gets tough, you'll always get going with the **TCe 90** petrol engine. Add power-assisted steering, air-con, **Hill Start Assist** and **Stop and Start** tech to the mix, and you won't even break a sweat.

It's also dressed to impress, with restyled front and rear bumpers, an improved front grill and **LED daytime running lights**. Combined with ABS and **Electronic Stability Control (ESC)**, the Logan MCV proves bigger really can be better.

Get to grips with our wheels

15" Tarkine steel wheels

Sitting **comfortably**?

The inside of a Logan MCV is all about making you feel right at home. Big on space. Big on comfort. Nice.

There's a lot more going on than just **market-leading boot capacity** (although that is really rather handy). Especially with the 60/40 split folding rear seats to help you fit nearly anything onboard.

How about five proper seats, new upholstery, one-touch driver's window and 12V socket in the back for the kids to charge their tablets?

And if that's not enough, you can opt for leather seats, **air conditioning**, and electric window switches in all the door panels. In other words, everything you need to travel in style.

We're big on safety too. That's why the reinforced body structure, **front and side airbags**, and height-adjustable head rests, are all in place for extra peace of mind.

Little life-hacks

Just when you thought the Logan MCV couldn't get more practical, you can add some seriously smart gadgets. Finding your way from A to B, making hands-free calls or playing your tunes – if it's not genuinely useful, you won't find it in a **Logan**.

Pump out the jams with DAB, FM and AM radio as standard in the Ambiance model. Or the handy AUX and USB inputs, for when only your own tunes will do. Need to take that important call? No problem, do it safely with Bluetooth™ connectivity*.

Wave goodbye to dodgy directions. The Signature model's 7" Touchscreen MediaNav system includes SatNav with voice guidance. So there's no need to stress over maps when you're heading out on your next adventure.

Navigation

Provided by Navteq with vocal guidance.

Radio

Listen to DAB, FM or AM radio.

Phone

Bluetooth® technology* allows you to make and receive calls on the move.

Music

DAB/FM/AM tuner, connect devices via USB and AUX sockets.

Which Logan MCV suits you?

We're all different, right? And we all deserve a car that gives us what we want. That's why we offer two unique Logan MCV models.

Our core features These come as standard on all models

Outside

- Chrome front grille strip
- Tinted windows

Safety

- 3 x 3-point rear seatbelts
- Anti-lock braking system (ABS) and Emergency Brake Assist (EBA)
- Child locks in rear doors
- Visual warning for open doors
- Driver's airbag
- ESC (Electronic Stability Control) with ASR Traction control and Hill Start Assist (HSA)
- Front side airbags
- Height-adjustable front headrests
- High-level third rear brake light
- ISOFIX points for child seats in both outer rear seats
- Passenger airbag with deactivation function
- Visual and audible seatbelt warnings
- Tyre inflation kit and pressure warning light

Security

- Thatcham-approved engine immobilizer

Driving and controls

- Gear shift indicator
- Audible and visual warning for headlights left on
- Power-assisted steering
- Rev counter

Visibility and exterior lighting

- 3-speed front windscreen wipers
- LED daytime running lights (DRL)
- Front courtesy light
- Heated rear window
- Rear wash/wipe
- Double optic headlights with chrome surrounds

Comfort and convenience

- 12v socket
- 4-speed heating and ventilation system

Want comfort? The Alternative is ideal

As well as the core features, you get front electric windows, AM/FM and DAB radio and Bluetooth™ connectivity.

Outside

- 15" Tarkine wheel trims
- Black door handles and mirrors
- Black longitudinal roof bars
- Body-coloured bumpers

Inside

- Piano black air vent surrounds
- Satin chrome central console surround and instrument dial surrounds
- Black air vent surrounds
- Black central console surround
- Black Cerite cloth upholstery
- Black front and rear door handles

Safety

- 3 height-adjustable rear headrests

Security

- Anti-intruder automatic door-locking system
- Remote central locking

Driving and controls

- ECO mode (dCi 90 versions only)
- Stop and Start (dCi 90 versions only)

Visibility and exterior lighting

- Manually-adjustable door mirrors

Comfort and convenience

- 60/40 split folding rear seat (seatback only split)
- Boot light
- Electric front windows (with driver's one touch)
- Manual rear windows
- Front passenger grabhandle
- Passenger vanity mirror in sunvisor

Communication and connectivity

- DAB/FM/AM tuner with fingertip controls and 2 front and 2 rear speakers
- Bluetooth® connectivity
- AUX input and USB connection rear speakers

Want more tech? The Signature is up your street

Look great with a leather gear knob and chrome interior details, stay in control with your on-board computer with SatNav and rear parking sensors.

Outside

- 15" Lassen wheel trims
- Body-coloured door handles and mirrors
- Satin chrome longitudinal roof bars

Inside

- Satin chrome front door handles
- Chrome gear lever cap insert
- Chrome heating control inserts
- Leather gearknob
- Black Indite cloth upholstery
- Soft feel steering wheel

Safety

- Height-adjustable front seatbelts

Driving and controls

- 7-function on-board computer: odometer, trip computer, fuel used, average fuel consumption, fuel range, average speed, next service indicator, outside temperature gauge
- Cruise control and speed limiter
- Rear parking sensors

Visibility and exterior lighting

- Front fog lights
- Door mirrors – heated and electrically-adjustable

Comfort and convenience

- Height-adjustable driver's seat
- Height-adjustable steering wheel
- Manual air conditioning
- Map pockets on front seatbacks
- Rear passenger grab handles
- Electric rear windows

Communication and connectivity

- MediaNav Evolution 7" touchscreen multimedia system including:
- Satellite navigation (GB and Ireland mapping)
- RDS – TMC (Traffic Message Channel) for traffic info
- Smartphone Voice Recognition (SIRI)

A peek under the hood

The power behind your adventures

Just because your car is affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

Pick the engine for your lifestyle:

The **SCe 75** engine is a great all-rounder. Alternatively, for an ultimate fuel efficiency and low CO₂ emissions, try the **Blue dCi 95** diesel engine.

* WLTP figures shown are for comparability purposes; only compare figures with vehicle tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessoried fitted after registration. WLTP is a new test used for fuel consumption and CO₂ figures however for 2019 the CO₂ figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration available in your local dealer.
^ Genuine leather on central section; synthetic leather on side bolsters and rear.

We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year* warranty (or 100,000 km, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 5 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in Europe. This offer also stands for the first 3 years/100,000 km^Δ after you buy your new Dacia.

Servicing

Just like most cars, you need to get your Dacia serviced every year (or 20,000 km if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.

Extended warranty	Alternative MY18	Signature MY18
