The supermini with **SUV style**

Easy **on the eye**  
– easy on the wallet

Dacia **Sandero Stepway**

# A little more about **our range**

Dacia fully supports the introduction of the new emissions testing procedure, called 'Worldwide Harmonised Light Vehicle Test Procedure' (WLTP). WLTP represents a positive change to provide consumers with fuel economy and emissions data which is more representative of the results you may achieve in real life.

## Stand out from the crowd

If you're tired of the same old family cars, then the Sandero Stepway is a breath of fresh air. Whether you're on the school run or the open road, it's not short on style either.

For starters there's the raised ride height. It really puts you in the driving seat with a clearer view of whatever's ahead. Then there are the **16" wheels**, skid plates, and black wheelarch extensions and side sill. Everything you need for some rugged SUV style.

Look the business with satin chrome roof bars, stunning metallic colours, a restyled front grill and LED day-time running lights.

Throw in a choice of impressively reliable engines, ABS, **Emergency Brake Assist (EBA)** and **Electronic Stability Control (ESC)**. It's quite the performer.

## Good looking inside and out

Looks will only get you so far. So we made sure the Sandero Stepway's interior punches above its price bracket too. After all, you spend most of your time driving the car, not gazing at it lovingly (although we won't judge if you do.)

Satin chrome air vent, central console and door handle surrounds? Fancy upholstery and **DAB radio** as standard? Air conditioning to make sure you keep your cool? They're all there and ready to roll.

Five proper seats mean there's plenty of room for the whole family too. And they'll all stay extra safe, thanks to the reinforced body structure, **front and side airbags**, and **height-adjustable headrests**.

# Tech at your fingertips

Life's already too complicated for unnecessary fuss. But a few useful and fun gadgets and gizmos can make getting from A to B so much better.

That's why you get **DAB radio** as standard in your Sandero Stepway. And a 12V socket for easy tablet and phone charging. Not to mention USB and AUX inputs to play your favourite music, and Bluetooth®\* to let you make handsfree calls.

Choose the Signature model with 7" Touchscreen **MediaNav** system and you'll also get **SatNav** with voice guidance. That means you'll always know where you're heading. Now that's smarter thinking.

Manoeuvre with ease! Sandero Stepway's **rear parking camera including sensors**<sup>^</sup> alerts you when there is a potential obstacle behind you.

# The engine room

## Reliable performance under the bonnet

Just because your car's affordable, doesn't mean you have to compromise on engine quality. All our engines are rigorously tested, over 800,000 kilometres of test driving in fact. So you can relax every time you turn the key.

## Pick the engine for your lifestyle:

The turbocharged TCe engine offers more performance.

- Produces 90 hp from 3-cylinder, 898cc engine, yet still achieves 6.5 - 6.6 (l/km) combined and CO<sub>2</sub> emissions of 147 - 148 g/km\*.

For ultimate fuel efficiency and low CO<sub>2</sub> emissions, try the Blue dCi 95 diesel engine.

\*WLTP figures shown are for comparability purposes; only compare figures with vehicle tested to the same technical procedures. Actual real world driving results may vary depending on factors such as weather conditions, driving styles, vehicle load or any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO<sub>2</sub> figures however for 2019 the CO<sub>2</sub> figures are based on the outgoing (NEDC) test cycle which will be used to calculate vehicle tax on first registration and they are available at your local dealer.

## Blue dCi Engines

Sandero Stepway benefits from the latest Blue dCi engines which are equipped with a system to reduce polluting Nitrogen Oxide vehicle emissions by injecting a urea-based fluid, AdBlue®, into the exhaust system. A dashboard message will remind you when the AdBlue® needs topping up via the specific AdBlue® filling cap located next to the usual Diesel fuel filler cap. A full tank of AdBlue® will last for 6 full tanks of Diesel.

# We've got you covered

You might think our shockingly affordable prices mean our cars aren't made to last. Actually, the Duster is one tough cookie. To prove it, you get a 3-year\* warranty (or 100,000 km, if you reach that first). This means we'll repair or replace any defective parts for free. To keep the good times rolling, you can extend your warranty up to 5 years for a great price.

We also give you a 2-year paintwork and 6-year anti-corrosion warranty, so you can kick back knowing that your Duster will stay looking good-as-new for years to come.

## Roadside assistance

Although our cars are built for plain sailing, you can rely on us if you have a breakdown – 24/7 365, wherever you are in Europe. This offer also stands for the first 3 years/100,000 km<sup>Δ</sup> after you buy your new Dacia.

## Servicing

Just like most cars, you need to get your Dacia serviced every year (or 20,000 km if that comes first).

When the time comes, your local Dacia workshop is the place to go. With us you always get Dacia-trained experts, and original Dacia parts with a one-year warranty.
