A wide-angle landscape photograph of a volcanic region. In the foreground, a dark, gravelly slope descends towards a calm, dark blue lake. The lake is nestled between steep, layered volcanic cliffs that show various shades of brown, red, and black. In the distance, more volcanic peaks are visible under a pale, cloudy sky. A person wearing a red beanie, a green jacket, and blue jeans stands on the gravelly slope to the right, looking towards the camera. Their shadow is cast long and dark on the ground.
