A wide-angle landscape photograph of a volcanic region. In the foreground, a dark, gravelly slope descends towards a calm, dark blue lake. The lake is nestled between volcanic ridges. The left side of the lake is bordered by a steep, reddish-brown volcanic slope. In the background, more volcanic peaks are visible under a cloudy sky. A person wearing a red beanie, a green jacket, and blue jeans stands on the gravelly slope on the right side of the frame, looking towards the camera. Their shadow is cast long and dark on the ground.
