A wide-angle landscape photograph of a volcanic region. In the foreground, a dark, gravelly slope descends towards a calm, dark blue lake. The lake is nestled between volcanic ridges. The left side of the lake is bordered by a steep, reddish-brown volcanic slope. In the background, more volcanic peaks are visible under a cloudy sky. A person wearing a red beanie, a green jacket, and blue jeans stands on the gravelly slope to the right of the lake, looking towards the camera. Their shadow is cast long and dark on the ground.
