**UK Benefits (Includes Northern Ireland but excludes Republic of Ireland)**

**Renault Roadside Assistance**

If your Vehicle breaks down at the roadside and is immobilised, Renault Assistance will send out a patrol or appointed agent to get you back on the road. In the exceptional circumstances where an “on-the-spot” repair proves impossible, you are entitled to use the Recovery services detailed below.

**Renault At Home Assistance**

If your Vehicle breaks down at or within 1/4 mile of your home, Renault At Home Assistance will bring help to your doorstep. If your Vehicle cannot be repaired, Renault Assistance will transport it to the nearest authorised Renault Dealer, or another destination of your choice, whichever is the nearer.

**Renault Recovery**

If your Vehicle breaks down more than 1/4 mile from your home and a prompt local repair at the roadside is not possible, Renault Assistance will arrange onward passage for you, up to seven passengers and your Vehicle to any single destination in the UK mainland or Northern Ireland. This also includes the Isle of Man, Guernsey and Jersey, although any ferry costs must be borne by you. If you are towing a trailer or a caravan at the time, this will also be recovered, subject to the following overall weight and size restrictions:

- Max Weight (gross) 3.5 tonnes
- Max Length 7.0 metres (23ft) including tow bar
- Max Width 2.55 metres (8ft 4in)
- Max Height 3 metres (9ft 10in)

Your Vehicle or any caravan or trailer (as applicable) attached to it, complies with and does not exceed any of the above restrictions.

**Renault Onward Travel**

If your Vehicle is immobilised away from home, Renault Assistance may, at its absolute discretion, provide additional benefits immediately following Recovery, giving you a choice of ways to continue your journey. We can at our discretion:

- Arrange a vehicle\* for up to 72 hours (subject to the terms and conditions of the hire company). To ensure that you are eligible for this, please make sure you have your driving licence with you. If we choose to arrange a hire vehicle for you, you will have to pay a fuel deposit. You will also be responsible for returning the vehicle and any additional costs; or
- Refund the cost of public transport for you and up to seven passengers\*\*, to reach the end of your journey, subject to a maximum of £150 per person, or £500 for a group, whichever is less; or
- Arrange and pay for overnight accommodation and transport for you and up to seven passengers\*\*, up to a maximum of £150 per person in total or £500 for each party, whichever is less. This does not include the cost of providing meals and drinks. You will have to pay for any extra hotel or transport costs.

\*Please note that we will not supply a like-for-like vehicle.

\*\*Up to the stated capacity of the Vehicle.

## Tyre Cover (0 - 36 months only)

Assistance in the event of a flat tyre or puncture is included in your Renault Roadside Assistance cover. If your Vehicle has a spare wheel, Renault Assistance will change the wheel for you. If your Vehicle does not come with a spare wheel, Renault Assistance will send an authorised tyre fitter to attempt to repair the tyre at the roadside. If a repair is not possible, they will arrange for a replacement tyre (at the Customer's expense) to be delivered to the location of the incident which they will then fit to your Vehicle. If a roadside repair is not possible, your Vehicle will be recovered to a place of your choosing. All costs associated with the purchase and fitment of the tyre will be the responsibility of the driver.
