Renault guard

The ultimate protection for your paint and upholstery

Powered by Supagard, our paint and upholstery protection offers real value to both new and used car customers, keeping your car looking as good as the day you bought it.

Benefits

Our products have been developed to withstand the harshest environmental and climatic conditions and our paint protection has some of the most technologically advanced chemistry.

Paint protection

- Seals the surface against harmful acid rain and atmospheric pollutants.
- The paint sealant is professionally applied by trained technicians and all you have to do is wash the car. What could be simpler?

Interior protection

- Our technicians coat the seats and carpets with Interior Renault Guard.
- These products ease the removal of dirt and spills and prevent staining while preserving the texture and appearance of the interior.
- Dirt and spills can be vacuumed or wiped off with a gentle cleaning solution.

For more information watch our [video](#), [download the brochure](#) or ask your retailer for more information.

Every precaution has been taken to ensure that the contents of this brochure were accurate and up-to-date at the time of its release. This document has been created using pre-production and prototype models. In line with its policy of continuous product improvement, Renault reserves the right to modify the specifications, vehicles and accessories described and featured at any time. Any such modifications are communicated to Renault dealers as quickly as possible. Depending on the country of sale, versions may differ and some equipment may be unavailable (standard, optional or accessory). Please contact your local dealer for the latest information. For reasons to do with the medium, the colours featured in this document may differ slightly from those of the actual paintwork or interior trim. All rights reserved.
