## The ultimate protection for your paint and upholstery

Powered by Supagard, our paint and upholstery protection offers real value to both new and used car customers, keeping your car looking as good as the day you bought it.

### Benefits

Our products have been developed to withstand the harshest environmental and climatic conditions and our paint protection has some of the most technologically advanced chemistry.

### Paint protection

- Seals the surface against harmful acid rain and atmospheric pollutants.
- The paint sealant is professionally applied by trained technicians and all you have to do is wash the car. What could be simpler?

### Interior protection

- Our technicians coat the seats and carpets with Interior Renault Guard.
- These products ease the removal of dirt and spills and prevent staining while preserving the texture and appearance of the interior.
- Dirt and spills can be vacuumed or wiped off with a gentle cleaning solution.

For more information watch our [video](#), [download the brochure](#) or ask your retailer for more information.
