

## configure and order Renault Zoe

Every precaution has been taken to ensure that the contents of this publication were accurate and up-to-date at the time of printing. This document was created using pre-production models and prototypes. In line with its policy of continuous product improvement, Renault reserves the right to modify the specifications, vehicles and accessories described and featured at any time. Any such modifications are communicated to Renault dealers as quickly as possible. Depending on the country of sale, versions may differ and some equipment may be unavailable (standard, optional or accessory). Please contact your nearest dealer for the latest information. For technical printing reasons, the colours featured in this document may differ slightly from those of the actual paintwork or interior trim. All rights reserved. Reproduction in any format and by any means of all or part of this publication is prohibited without prior written authorisation from Renault.

KENWOOD front dash cam 7711599197

KENWOOD rear cam 7711599212

charging

## at your convenience

Charging anywhere, of course means having your cables at all times. Our double boot floor allows you store your cables safely and securely and still have full use of your boot for shopping, luggage or even the dog! The domestic 3-pin charging cable is also a must, allowing you to charge your ZOE wherever and whenever you need, without having to rely on a charging station.

### 1. EV pack
