

RENAULT ARKANA E-TECH FULL HYBRID*

145 HP

February 2025

*sales from available stock only

hybrid by nature

Designed to turn heads, new Renault Arkana E-Tech full hybrid reinvents the sports SUV. With a streamlined silhouette, raised ground clearance and restyled grille, it successfully combines a dynamic shape with a spacious interior enhanced by a large boot.

glass roof not available on UK spec

Discover the Sport-Chic version, esprit Alpine, and enjoy responsive driving with the E-Tech full hybrid 145hp engine.

equipment and engines

sportiness embodied

With a completely restyled grille that incorporates the new Renault emblem, the front end adds to the vehicle's design. At the rear, the black twin exhaust and wide spoiler emphasise its dynamic character. In the esprit Alpine and techno version, the emblematic F1® blade oozes sportiness.

UK spec may vary

The new glossy black chrome-finish grille with unstructured diamonds creates a unique personality.

The rear end does not go unnoticed with its translucent smoky lights, new dark chrome Renault emblem and black Arkana marking.

esprit Alpine badge on the front wings and a robust look with its 19" wheels*.

*Alpine' lettering not on wheels in the UK

The interior has an elegant and sporty atmosphere thanks to upholstery enhanced with blue top-stitching. The steering wheel comprises red, white and blue stitching. The Alpine logo - a sign of exclusiveness - embellishes the front seats.

special upholstery in biobased textured coated fabric / suedette on esprit Alpine version*

heated steering wheel covered in perforated textured coated fabric on esprit Alpine version*

intuitive connectivity

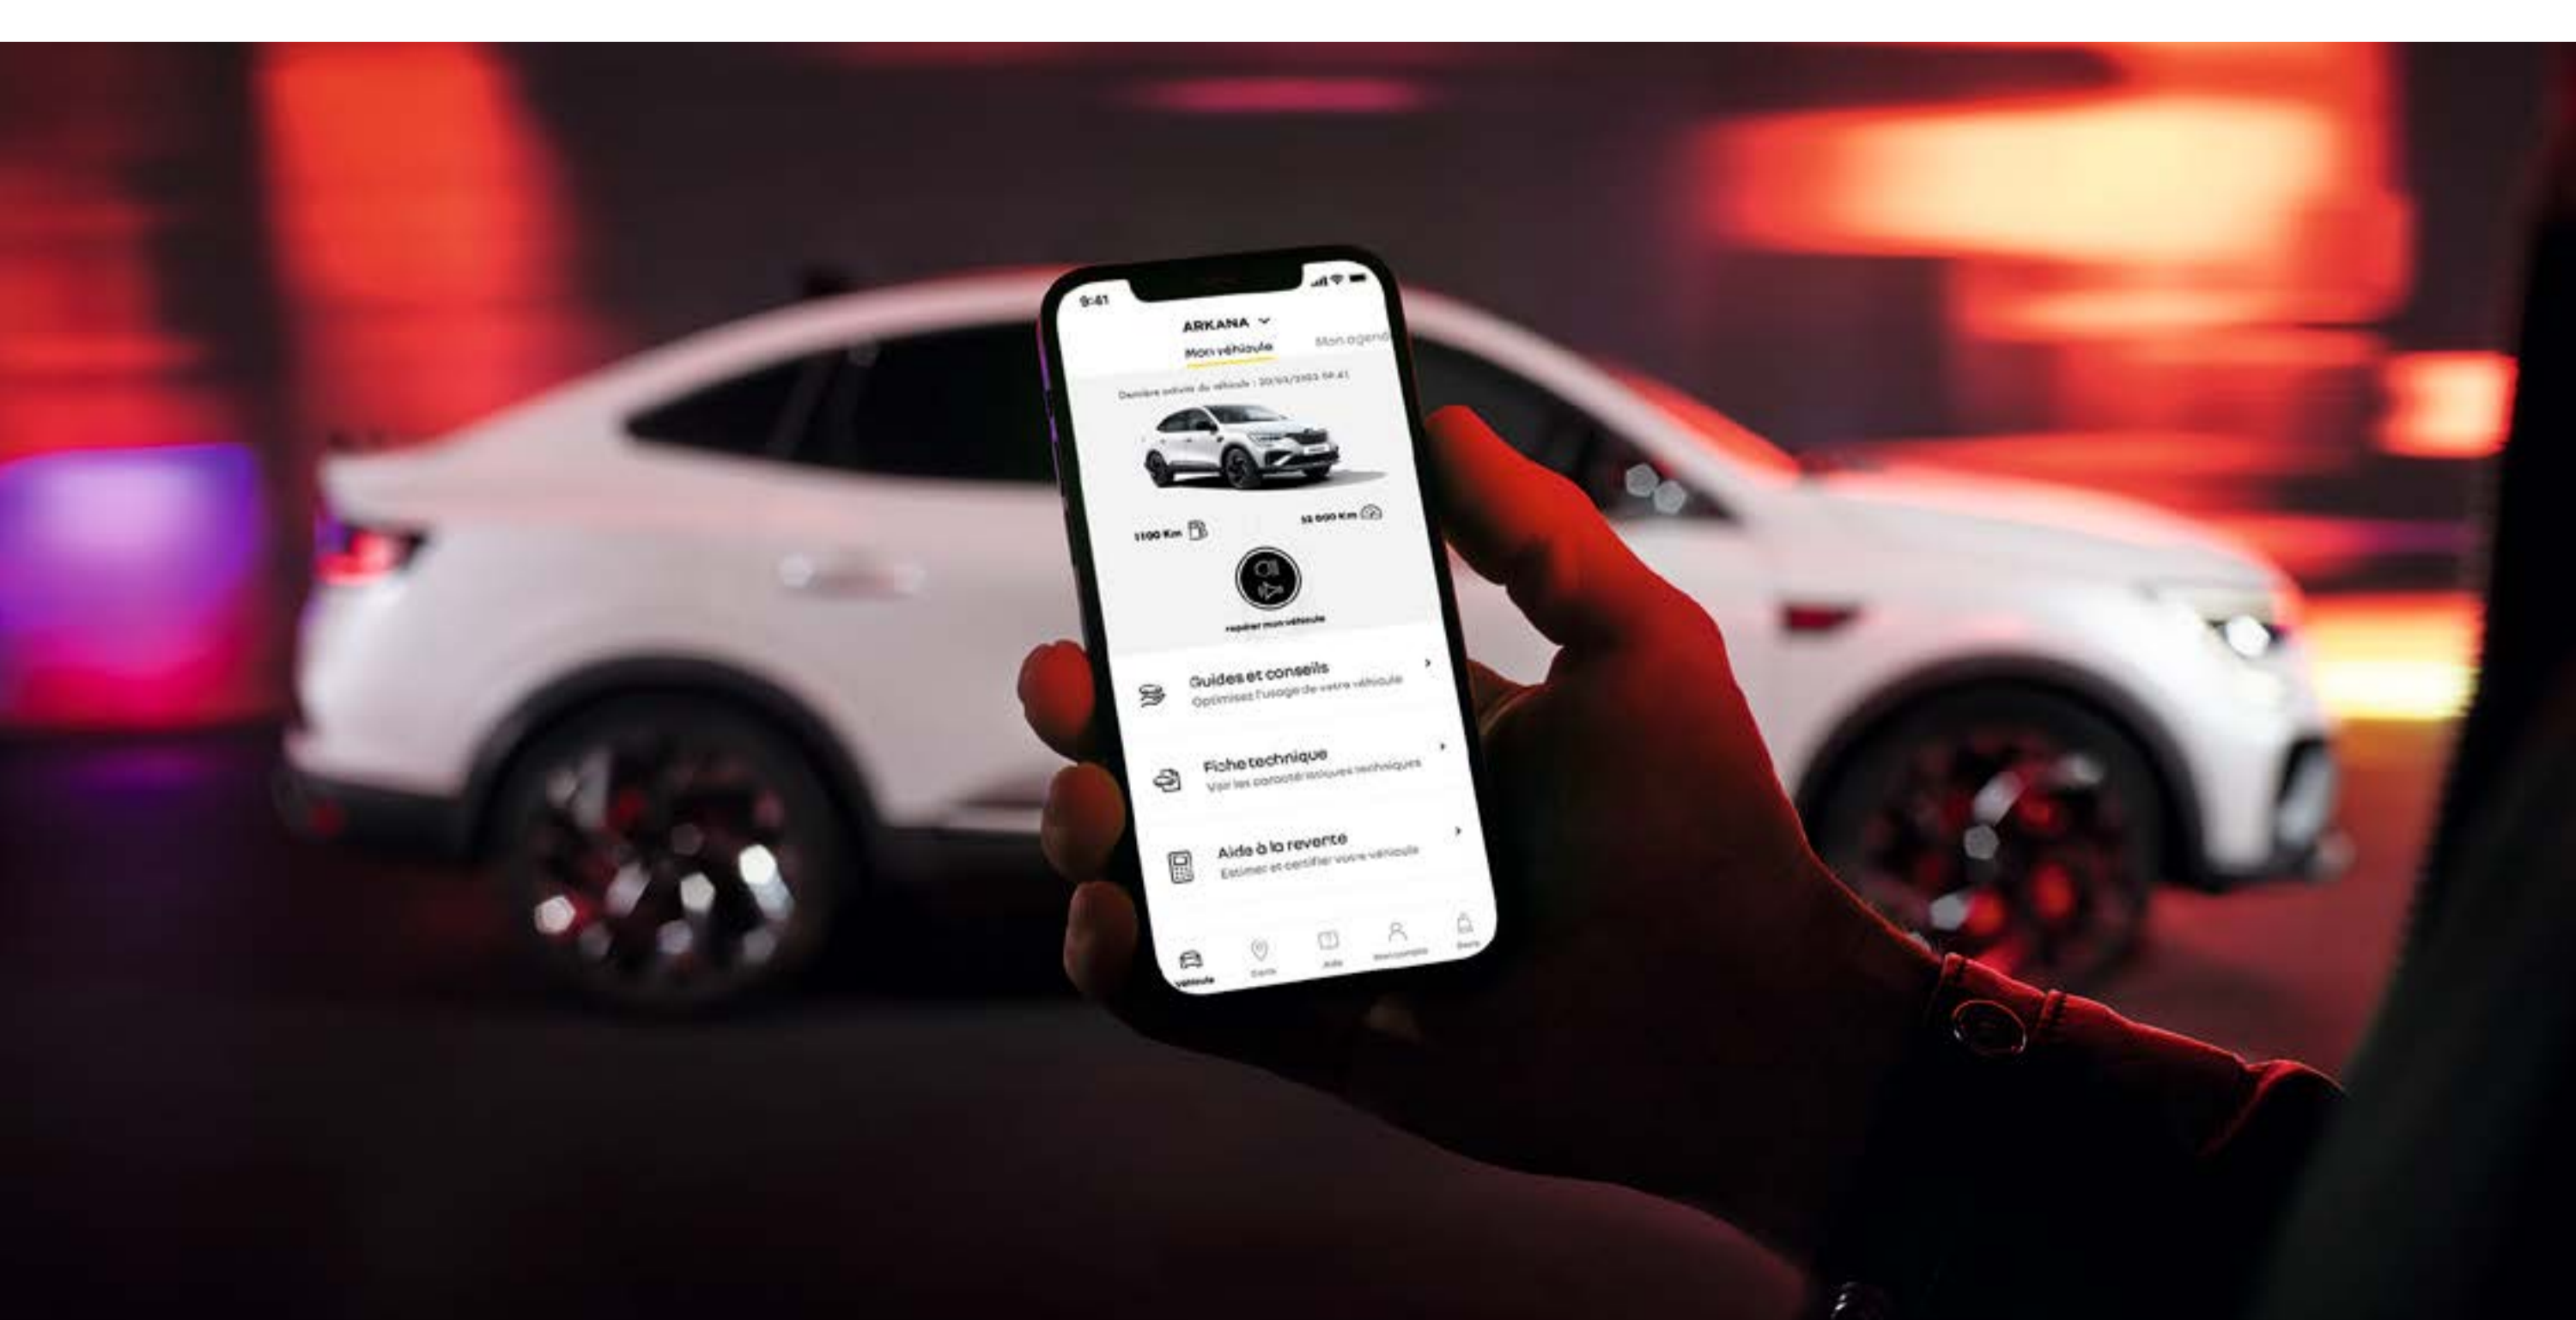

The easy link multimedia system and its 9.3" central touch screen* facilitate access to navigation, widgets and your customised profile. Keep essential driving information in your direct view by displaying it on the 10" configurable digital instrument panel*.

Access your applications, playlists, contacts and favourites directly on the central screen thanks to smartphone mirroring. The wireless charger always ensures an optimal level of independence*.

With the My Renault application, manage your vehicle remotely and easily through your smartphone: connected services, location of the vehicle, service history, service reminders and garage appointment bookings.

generous interior space

The sportiness of the lines complements the generous interior and large boot of up to 480 litres.

The carefully designed rear space comprises three seats and 21 cm of knee room.

In the low position, the height-adjustable floor maximises the loading capacity of 1,263 litres; in the high position, it facilitates the loading of heavy objects. A configuration that also gives you a completely flat surface, once the 1/3-2/3 rear bench seatbacks are folded down.

e-shifter gear lever not available in UK.

06. advanced driver-assistance systems

up to 18 advanced driver-assistance systems*

As part of the human first program, Renault Arkana E-Tech full hybrid offers up to 18 advanced driver-assistance systems.

adaptive cruise control
This system keeps a safe following distance with the vehicle in front of you. It activates the brakes when you get too close and accelerates when the road is clear again.

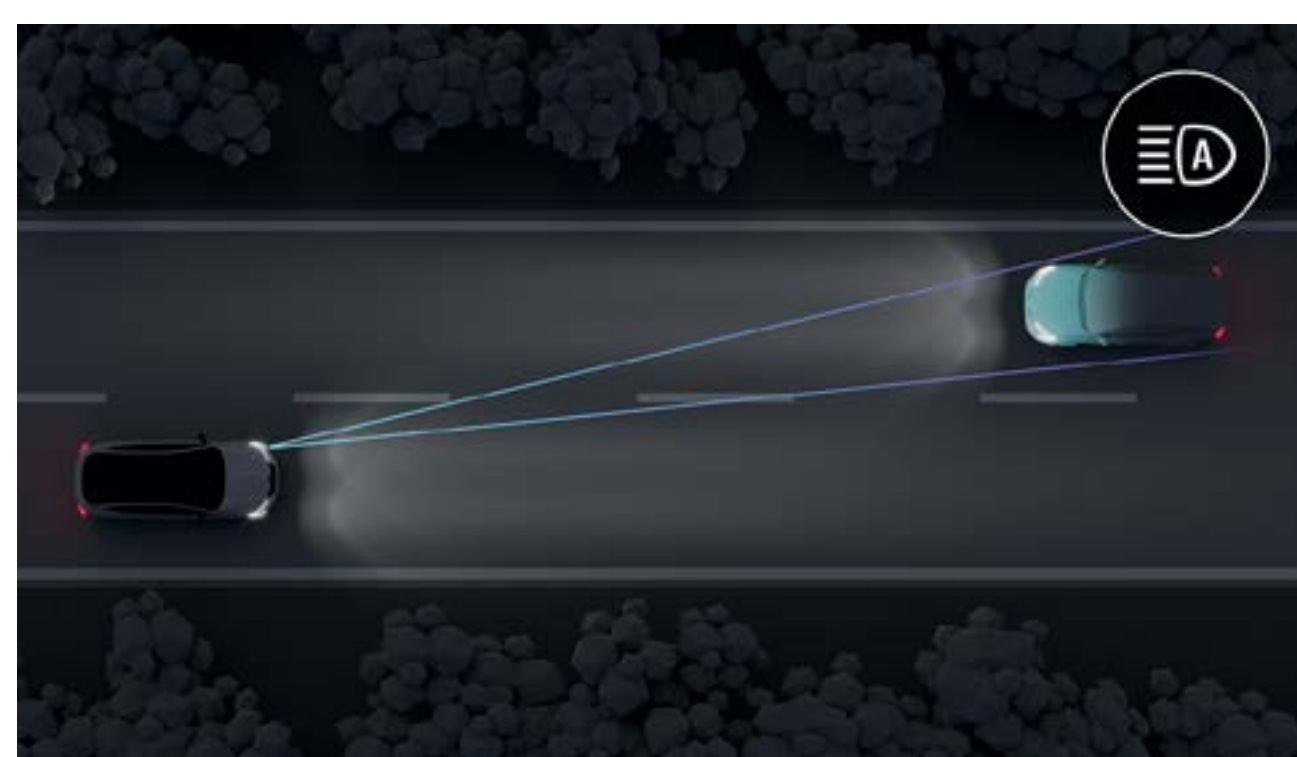

rear view camera
This system provides a rear view on the screen when you engage the reverse gear. Superimposed outlines help to make your manoeuvres easier and safer.

intelligent speed assist: speed sign recognition & overspeed warning
Reads the traffic signs and displays them in your instrument panel so you are always aware of speed limits, and alerts you if you exceed them.

rear cross traffic alert when reversing
Exit your parking spot more comfortably. Renault Arkana, equipped with sensors, signals the arrival of a vehicle that you may not have seen. When reversing, the system warns you of a risk of collision with a vehicle.

auto high/low beam headlight activation
A camera positioned on the windscreen will detect the light flows and automatically switch from high to low beam when you enter a build-up area or cross another vehicle.

driver-assistance systems

- hill start assist
- intelligent speed assist: speed sign recognition & overspeed warning
- adaptive cruise control with stop & go
- active emergency braking system (AEBS)
- automatic headlights
- automatic windscreen wiper with rain sensors
- electronic parking brake with auto-hold function

safety assistance

- distance warning alert (information on the driver's screen)
- lane departure warning
- lane keeping assist
- blind spot warning
- auto high/low beam headlight activation
- driver attention alert

park assist systems

- rear parking sensors
- front parking sensors
- rear cross traffic alert
- rear view camera

accessories

night blue exterior customisation pack

Make use of colour to stand out with the night blue, flame red or pearl white exterior customisation packs. These packs trim the front air inlets, the lower door protectors and the door mirror shells⁽¹⁾.

black spoiler

Add to the dynamic and sporty appearance of your SUV coupé with an athletic black, grey or elegant white spoiler.

sidesteps

Accentuate the robustness of your Renault Arkana SUV coupé with elegant sidesteps that protect its bodywork against small everyday knocks.

towbars

Our range of towbars meets your needs: the retractable towbar retains the lines of your vehicle by easily retracting in a few movements.

grand confort cushion, rear organiser and portable armrest

Opt for this range of Renault accessories for a touch of elegance and to organise the rear passenger space. Bearing the brand's identity, the style of the accessories has also been given careful consideration.

(1) the door mirror shells are also available separately from the exterior customisation pack.
