05. customisation

seductive style

Sensual lines, dynamic profile, sculpted sides and assertive presence. From the first look, Clio attracts you with its dynamic and desirable style.

Renault Clio combines modernity with robustness: C-shaped signature, full LED lighting, finely integrated chrome finishes.

17" E-Tech engineered diamond cut alloys with gold inserts

limited stock availability across the range, only available while stocks last.

E-Tech engineered version

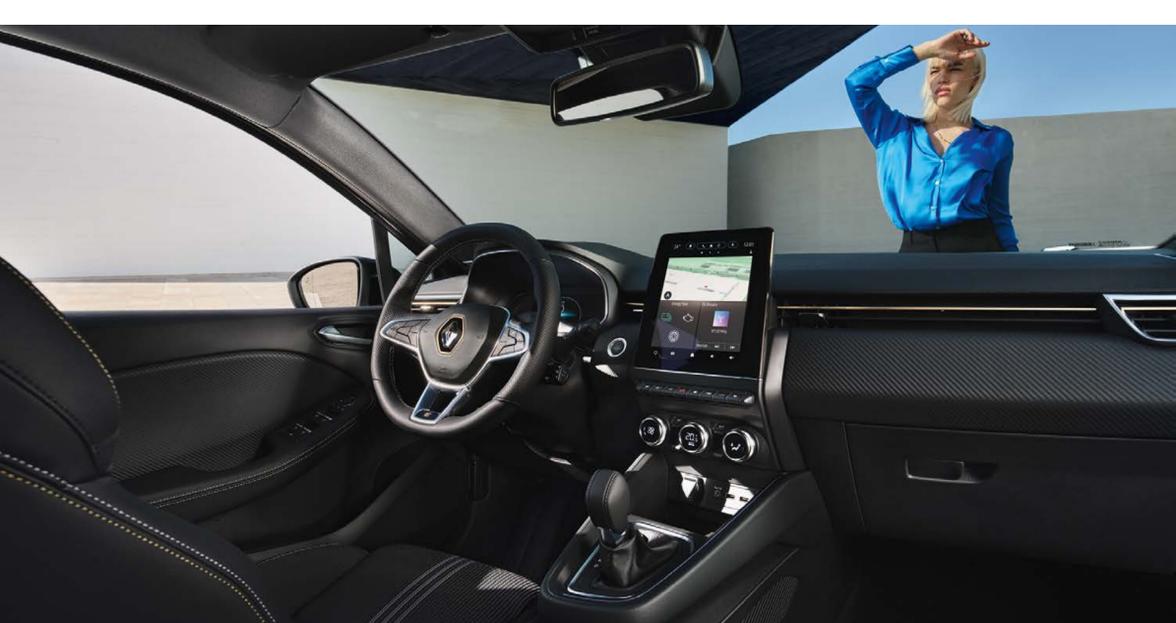

Renault Clio unveils a new E-Tech engineered full hybrid 145 version with captivating style. With the E-Tech engineered label which adorns the sides, the lines are more sporty.

Clio E-Tech engineered has a striking impact on the road with its premium look exclusive to the E-Tech powertrain. E-Tech engineered offers a unique look, with stylish gold interior trim and gold exterior features, including a gold F1 blade and new 17" E-Tech engineered diamond cut alloy wheels.

This new trim also features shiny black inserts including a black Renault logo. Comfort and convenience is still crucial for Clio, maintaining the top of the range features such as the large multimedia 9.3" touchscreen and the 10" driver information display cluster.

decidedly hybrid

The E-Tech full hybrid engine offers power, fuel efficiency and a reduction in CO₂ emissions.

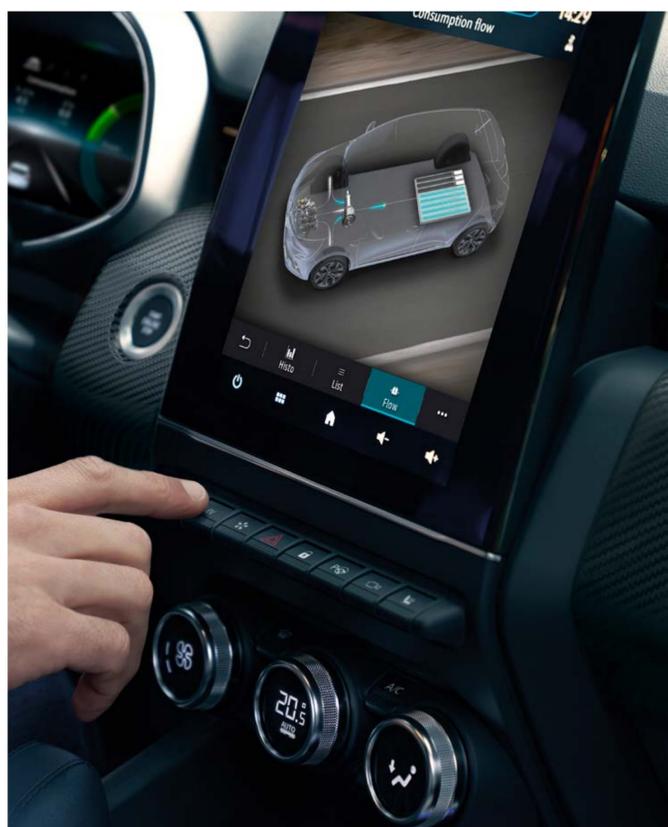

Clio E-Tech full hybrid offers you unprecedented driving pleasure. It combines acceleration, responsiveness and fuel economy whilst retaining the versatility and comfort of Clio.

In town, make up to 80% of journeys in EV mode, which provides benefit on fuel consumption and running costs.

connected experience

At the heart of the cockpit, the EasyLink system offers the largest screen in its category*. Perfect for staying connected with your music and navigation.

The onboard navigation delivers a huge amount of information in real time: traffic density, to incidents or service stations. As simple and effective as Google Maps, all you need is two or three key words to search for your destination on the Google address search.

Once on board, the EasyLink system with wifi smartphone replication**, compatible with Android Auto™ † or Apple™ CarPlay™ †, gives you access to all your multimedia content in the blink of an eye.

* 9.3" screen standard on r.s. line & E-Tech engineered, 7" screen standard on Evolution & Techno.** Please check availability with your local dealer.
† Android Auto™ is a trademark of Google Inc. Apple CarPlay is a trademark of Apple Inc.

04. advanced driving assistance systems

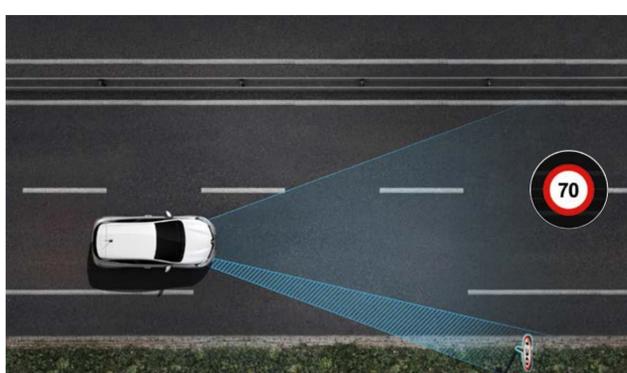

up to 16 advanced driving assistance systems

Renault Clio is equipped with up to 16 advanced driving assistance systems*.

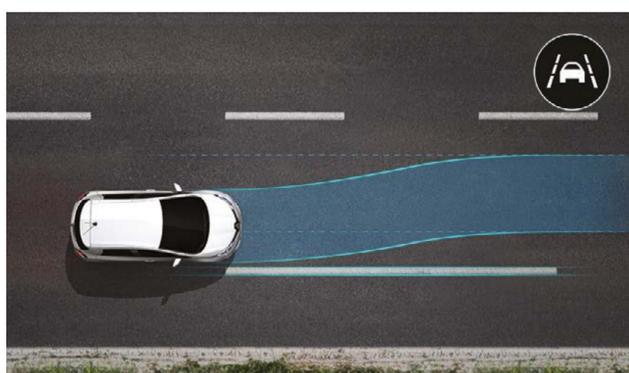

cruise control with speed limiter

Set your speed or your maximum speed. Steering wheel controls allow you to set parameters in a few instants.

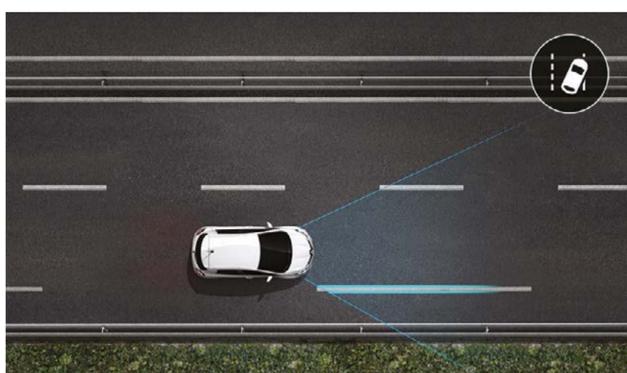

traffic sign recognition

Clio informs you via the dashboard of speed limits using a camera which recognises road signs.

lane keep assist

Active between 40 m/h and 80 m/h, this system corrects the steering wheel to bring the vehicle back into lane if you ever cross a continuous or broken line without activating your indicator.

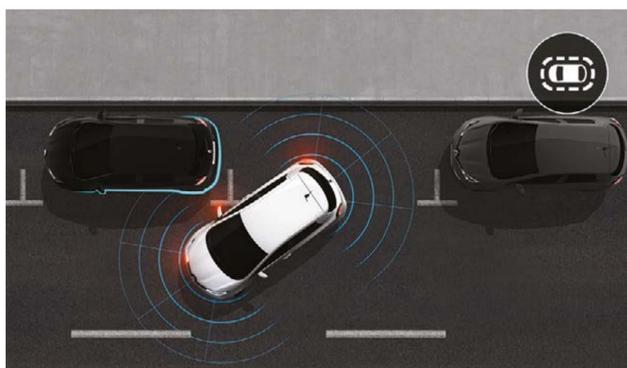

lane departure warning

The system informs the driver of unintended crossings of a solid or broken line, using a camera located on the windscreen, behind the rear-view mirror.

hill start assist

Combined with electronic stability control, hill start assist maintains brake pressure automatically for 2 seconds to give you time to lift your foot from the brake pedal and press the accelerator. The system activates when the slope exceeds 3%.

parking sensors (rear and/or front)

Radar sensors facilitate your manoeuvres by warning you with sound and visual signals of the proximity of obstacles in front of and behind.

driver-assistance systems

- active emergency braking system with emergency brake assist
- lane keep assist with lane departure warning
- emergency call system
- traffic sign recognition
- cruise control and speed limiter
- eco mode driving function
- distance warning alert
- hill start assist
- auto high low beam
- overspeed prevention
- auto dimming rearview mirror

park assist systems

- rear parking sensors
- rear park assist with front parking sensors
- rear view camera

It is your responsibility to stay alert, drive safely and be in control of the vehicle at all times. Driver assist features have speed and other limitations and should not be relied on. For more information, please refer to the owner's manual or contact your local dealer.

* specification depends on version. Please refer to full specification to see what features are standard by version.

accessories

touring

Explore our range of touring accessories, from roof bars and roof boxes to bicycle racks and tow bars. Let us make adventure easy.

rubber floor mats

Help protect your passenger compartment floor with these rubber mats, made-to-measure for your vehicle. They are waterproof, easy to maintain and can be quickly fitted using the safety clips provided.

boot protection

Ask about our range of boot mats and liners to protect the floor of your boot. All made-to-measure, easy to maintain and designed for your Renault.

Kenwood dashcam

For your safety, the on-board camera automatically starts recording as soon as the vehicle ignition is switched on. Both hardwired and plug-in options available.

illuminated door sills*

Protect your vehicles entry points and add a touch of style all at the same time. Night and day, the timed white lighting on your door sills will illuminate as you open the door.

*Also available in a non-illuminated version. Accessories are fitted post production and may have an impact on WLTP fuel (actual) consumption and CO₂ figures. For more information and additional accessories, consult the Clio accessories brochure.
