02. equipment

evolution

design
- 18" black diamond cut alloy wheels
- whip antenna
- LED front headlights
- mixed grey / black cloth seats, with tricolour stitching
- light grey grained plastic dashboard

on-board experience
- two front USB-C sockets with backlighting
- 60/40 split rear bench seat
- hands-free card
- automatic heating and air conditioning system
- 12V socket
- smartphone mirroring compatible with Android Auto™ and Apple CarPlay™
- manual front seats with height-adjustable driver's seat
- Arkamys® audio system
- 10.1" central openR link screen
- 7" digital driver display

safety
- rear parking sensors
- emergency call (subject to available compatible network; 2G/3G or 4G/5G depending on the vehicle)
- speed limiter
- safe stopping distance warning
- traffic sign recognition
- speed alert
- active emergency braking system; urban, pedestrian + cyclist
- automatic emergency braking system with intersection function
- cruise control
- rear automatic emergency braking
- lane departure warning
- advanced driver attention alert
- automatic switching between main/dipped headlights
- my safety switch

electric
- mode 3 charging cable (6.5 m)
- power to object compatible, Vehicle to Load bidirectional charging
- regenerative braking adjustable by mode B (2 levels)
- heat pump and heat management

options
- one-tone paint options
- roof design options
- power to object connector, V2L directional charging (available as aftersales accessory)

techno+
in addition to evolution

design
- shark fin antenna
- front and rear bumpers, wheel arches and waistline, in grained black
- front door customisation exterior trim
- full LED rear lights
- 100% recycled denim fabric trim on dashboard and front door panels
- illuminated charge indicator in the shape of a 5 on the bonnet
- black window strip and roof belt
- full LED front headlights
- 100% recycled mixed fabric upholstery, denim fabric with grey double topstitching
- graphic and audible welcome sequence
- tinted rear windows
- metallic paint: two tone

on-board experience
- induction wireless smartphone charger
- high centre console with black refined fabric grained armrest and cup holder
- rain sensor
- electric hand brake with autohold
- MULTISENSE and front interior lighting ambiance
- one-touch opening and closing of the 4 windows
- automatic day/night interior rear-view mirror
- electrically folding heated door mirrors
- front seats with seatback pocket
- 10.1" openR link: connected multimedia system with Google built-in(1)(2) (Google Maps with electric functions, Google Assistant and Google Play) and the reno virtual driving companion, the official Renault avatar that will be connected to ChatGPT(3), available for 5 years
- soft grain refined fabric steering wheel with multi-sense modes, 4 driving modes (comfort, sport, eco, smart)
- 10.3" digital driver display

safety
- rear parking sensors and reversing camera
- hill start assist
- adaptive cruise control with stop & go function
- LED adaptive vision front headlights
- safety coach

electric
- presetting of battery temperature when driving (prior to DC rapid charging)
- electric journey programming with Google Maps
- one-pedal function with steering wheel paddles

options
- roof design options
- power to object connector, V2L directional charging (available as aftersales accessory)

iconic five+
in addition to techno+

design
- refined fabric trim on dashboard and yellow marled fabric on panels
- 18" chrono black diamond-cut alloy wheels
- coloured window strip and roof belt
- upholstery with 5 on seat centre panel, grey and blue fabric with double blue stitching / black fabric

on-board experience
- heated soft-grained steering wheel
- heated front seats
- 'Renault 5' illumination under passenger dashboard
- interior auto dimming rear view mirror
- openR link 10.1" central touchscreen multimedia system: Google built in, DC charge preconditioning, 9 speaker Harmon Kardon Audio System

safety
- front, rear and side parking sensors with reversing camera and handsfree parking
- active driver assist; combining adaptive cruise control and lane centering
- rear cross traffic alert
- rear occupant safe exit warning alert
- blind spot warning
- contextual adaptive control
- predictive eco driving advice
- emergency stop assist

options
- roof design options
- power to object connector, V2L directional charging (available as aftersales accessory)

Roland-Garros+
in addition to iconic five+

design
- 18" electro black diamond cut alloy wheels
- exclusive mixed grey upholstery with blue & black synthetic leather trim
- dashboard: satin metal finish
- exclusive grey fabric in door panels
- tennis racket e-pop shifter
- satin chrome roofline
- 'clay' coloured wireless induction smartphone charger

options
- satin black roof with graphic woven effect + satin chrome roofline
- power to object connector, V2L directional charging (available as aftersales accessory)

	urban range	comfort range
useful battery capacity (kWh)	40	52
number of seats	5	
number of doors	5	
range and consumption		
certified driving range in WLTP cycle (miles / km)[1]	192/308	252/405
certified consumption in combined cycle (kWh/km)	14.7	15.2 / 15.4 / 15.3 techno+/iconic five+/Roland Garros+
wheel size of certified version[2]	18''	
engine		
electric engine technology	synchronous with coiled rotor	
max. power kW EEC (hp)	90 (120)	110 (150)
max. torque EEC-Nm	225	245
battery		
usable capacity (kWh)	40	52
technology	lithium-ion	
total voltage (V)	400	
total number of modules / cells	3	4
battery weight (kg)	240	300
heat pump	yes	
charger[3]	adaptive single- or three-phase	adaptive single- or three-phase
AC three-phase country series (kW)	up to 11	
DC (kW)	up to 80 at peak	up to 100 at peak
charging time[3]		
DC rapid charge (15-80%)	31 min	30min
gearbox		
gearbox type	automatic (gearbox)	
number of forward gears	1	
performance		
top speed (miles/h / km/h)	93 / 150	93 / 150
0-62 miles/h (s)	9	7.9
steering		
power steering	yes (electric)	
turning circle between kerbs (m)	10.3	
number of steering-wheel turns	2.6	
wheels and tyres		
standard wheels ('')	18	
tyre dimensions 18'' Continental EcoContact 6 Q	195/55 R18 93 H	
braking		
front: ventilated disc Ø (mm)	296x26 Ø 60	
rear: cooled disc (CD)	automatic electric 280x9.6 Ø36	
weight (kg)		
empty weight in running order includes 75kg driver weight (min/max)	1,463	1,535/1,536/1,535
gross train weight (GTW)	2,365	2,420
gross vehicle weight rating (GVWR)	1,865	1,920
payload (min./max.)	not applicable (M1 approval only)	not applicable (M1 approval only)
max. braked trailer weight (kg)	500	500

AC: alternating current. DC: direct current

(1) in WLTP cycle, actual range depends on driving conditions (type of road, driving style and weather conditions, starting charge of the battery, accessories fitted after registration and vehicle load.) (2) the size of the wheels may affect the vehicle's driving range. (3) maximum power and charging times are based on optimal charging conditions for the vehicle and for the charging point (peak power). The maximum power accepted by the battery (mainly in DC charging) varies depending on the battery's state of charge and the exterior temperature. Range communicated in WLTP cycle.
