create your account

My Renault app: the link between you, your Renault and your smartphone

to get the most out of your Renault,
synchronise your My Renault app with
your car through these simple steps

my vehicle is equipped with openR link

first, make sure you have downloaded
My Renault app on your smartphone,
created your account, and that you have
your credentials in hand

- 1** get into your car and make sure that you have network coverage and that you have closed the My Renault app on your smartphone
- 2** turn on the central screen of your car and accept data sharing with Renault
- 3** bring up the notifications by sliding your finger from the top to the bottom of the screen
- 4** click on your user profile and click on My Renault account
- 5** enter your My Renault login and password and click on connect
- 6** open your My Renault app on your smartphone. Your vehicle appears on the home page of your My Renault app and your vehicle data is visible
