

Our profession, adapting to yours

Master is the tailor-made utility vehicle! A wide-range of body styles are available and include specific versions that meet unique needs: tippers (including the Aluminium Body version) and box vans. These variants are 100% Renault 'off-the-shelf' products produced and delivered as quickly as our standard vehicles.

It is also easy to convert a more bespoke vehicle using either a panel van, chassis (single or double cab) or platform cab with thanks to one of our many Renault approved converters across the UK.

For more details about our range of Off-the-shelf and Tailor Made accredited conversions please see our separate Conversions Range brochure.
