

1

1. Mobile office: middle passenger seat folds down to present laptop and clipboard storage. Cabin also offers 84 litres of storage including 3 litre glovebox
2. wireless smartphone charger
3. smartphone integration via AndroidAuto™ or Apple CarPlay™

2

premium and spacious cabin

3

The completely redesigned interior on New Traffic brings some of the best features of the Renault Car range to the cabin, delivering a highly premium feel. A brand-new dashboard with chrome inserts and the 4.2" colour display on the instrument panel bring a true feel of quality to New Traffic, along with the 84 litres of convenient storage solutions. Enjoy your journey from start to finish with the new 8" EASY LINK multimedia system and stay connected through the smartphone integration brought by Android Auto or Apple CarPlay, all while charging your device on the new wireless smartphone charger.

*depending on versions.

Android Auto™ is a trademark of Google Inc. Apple CarPlay™ is a trademark of Apple Inc. Dashboard compartment covers are not available on right-hand drive vehicles.
