Renault Tailor Made Conversions

The Bloomfields Master Horse Box adaptations are part of Renault's tailor made conversion range that has been developed to complement our 'Off the Shelf' Conversions.

The tailor made conversion range offers a standard specification based on the expert collaboration between Renault and our accredited converter partners.

The specifications have been developed to meet common requirements however, they can be adapted to suit specific customer requirements, providing a truly tailor made solution.

Our tailor made conversion range has been developed in partnership exclusively with converters who have achieved Renault converter accreditation after being assessed on their technical and quality standards by a dedicated team from Renault. A list of these can be found at www.conversions.renault.co.uk

All of our accredited conversions are available to order directly via our Dealer Network.

Powerful, clever and dynamic

Bloomfields offer a range of 3.5T vehicles based on the Renault Master platform cab from their popular Bloomfields ONE to the Eventer Compact with luxury living facility.

Bloomfields have a dedicated research & development department who work tirelessly to create new innovative features and test new materials to ensure that all of their horseboxes are as strong and safe as can be.

Bloomfields are renowned for their bespoke finishes. All horseboxes are built to order and there are rarely 2 alike. Each customer is invited to work with Bloomfields' in house designers and technicians to ensure that every horsebox meets each individual's needs and requirements.

Bloomfields' in house spray team mask and spray every design by hand. A one colour metallic is included in the Legacy, Eventer and Professional range but customers have a choice to have their horseboxes personalised with a custom spray design*.

*Personalised spray comes at an additional cost.
