Although every effort has been made to ensure that the data and information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications, equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised.
An athletic appearance

An SUV through and through, the new Renault KADJAR proudly sports its adventurous look and powerful design. Evidencing its authentic personality, its chrome-finish grille surrounded by LED lights* really make New Kadjar stand out. At the rear, fog lights keep watch: dust, mist, drizzle, nothing will stop you. Featuring new front and rear skid plates, the 19” alloy wheels^ are ready to take on any kind of terrain. And the shark fin antenna† on the roof combines perfect aerodynamic nastics and unique style.

*Available from S Edition  
^Available from GT Line  
†Shark fin antenna front iconic
On-board comfort

Explore every detail of your New Kadjar’s interior comfort. With its contemporary environment, perfect ergonomic design, new upholstery and chrome-finish trim, you’ll enjoy every moment you spend inside it. Comfortably installed at the controls of your New Kadjar, you’ll be ready to appreciate the most demanding of roads. The restyled dashboard, the back-lit central console and numerous redesigned details will make you want to embrace adventure in a whole new way.
Ready for all discoveries

New Renault KADJAR excels on the most improbable terrain. A truly seasoned adventurer, it adapts to different driving conditions, with the option to easily switch from two-wheel to four-wheel drive with an intuitive three-position dial: 2WD, Lock or Auto*. With its raised ground clearance, chrome-finish side protection fittings and front and rear skid plates, it will take on challenging terrain just as easily as it does your everyday journeys. New Kadjar will offer you comfort regardless of the road ahead.

Intuitive 2W/4W dial
Simply turn it to adapt the traction system to your driving conditions. Three options available:

- 2WD: two-front-wheel drive
- Lock: four-wheel drive continuously
- Auto: automatic selection of two-wheel or four-wheel drive, depending on driving conditions

* Available on GT Line dCi 150 engines only.
Adaptive instinct

You’ll also find plenty of spaces inside your new Renault KADJAR. By simply folding down the rear bench seat, in the flat position* you’ll enjoy substantial loading volume that is easy-to-use when the floor of the boot is in the raised position. Mountain bikes, rucksacks, hiking equipment and accessories letting you take on life. And your passengers will be spoiled: the large cup holders in the front, together with the air-conditioning vents and USB ports in the rear* will change the whole travel experience for them. And as the driver, you’ll be nicely cradled in your heated^ adjustable seat with sliding armrests, ready to enjoy the most demanding of roads.

Yes to adventure – but with everything you need to enjoy it to the full!

*Multiposition boot floor available from Iconic
^Available from GT Line
Efficiency without compromise

The engines powering the Renault KADJAR are advanced, reliable and improved fuel consumption. Fitted with the Stop & Start system with regenerative braking, they include a host of technologies (downsizing, friction reduction, latest-generation injection systems) that elevate them to exemplary levels of performance and consumption, all without sacrificing your driving pleasure.

TCe 140

Flexibility and control

Discover the comfort and refinement of the new 1.3 TCe 140 GPF engine. As you would expect, the TCe 140 revs smoothly all the way to the redline but what sets it apart is the low rev pulling power. The full 240 Nm is accessible from very low RPM. Meanwhile, fuel consumption and CO₂ emissions are excellent.

TCe GPF 160

For more performance the TCe GPF 160 engine, offers the highest power output we’ve ever had in a Kadjar.

Blue dCi 115

The 1.5 Blue dCi 115 is the most economical available in Kadjar and, with AdBlue®, it’s cleaner than ever.

For those requiring diesel economy and torque but with more performance, an all-new 1.7 Blue dCi engine will be available soon with 150hp. This powerful engine is available with either 4x2 or 4x4 transmission.

EDC gearbox

Comfort, moderate consumption and technology

This 6-speed automatic dual-clutch gearbox offers smooth, gear changes Dynamic and responsive, the EDC responds almost instantly to the slightest driver input. In terms of economy, its fuel consumption is similar to that of a mechanical gearbox. Available with the Blue dCi 115 engine, the EDC gearbox is ideal for an enjoyable and relaxed drive in all conditions.
The world at your fingertips

Integrated into the new central console, the R-LINK 2 multimedia system’s 7” touchscreen is highly ergonomically-designed and intuitive. When connected, R-LINK 2 gives you access to a wide range of services such as TomTom Traffic® so you get the latest traffic information in real time. With Android Auto™ and Apple CarPlay™, easily access your smartphone’s driving-compatible apps directly from the R-LINK 2 screen. With the MY Renault® application connected to your R-LINK 2, take advantage of smart services wherever you are and at any time (to find where you’ve parked your Renault Kadjar, for example). R-LINK 2 optimises the on-board experience and delivers a fluid, simple and customised multimedia experience.

*For a limited period.
^Available from Iconic

Controlled trajectories

To make sure that you have as much control as possible during each and every one of your adventures, 2 cameras, 12 sensors and a radar keep a constant watch on your movements. The speed alert system with traffic sign recognition* helps you adapt your driving to road sign data captured by the camera. A visual alert is shown on your dashboard and suggests saving it as the value for the speed limiter.

The lane departure warning^ will let you know when you have strayed across a continuous or broken line without indicating.

*Available on GT Line only

Feel comfortable on any adventure
New Renault KADJAR
**ATHENA - 17” alloy wheels**

- ABS with EBD – Electronic brake distribution and emergency brake assist
- Driver and passenger adaptive front airbags (passenger airbag can be disabled)
- Airbags - curtain front and rear
- Airbags - driver’s two stage adaptive airbag
- Airbags - Front lateral
- Automatic headlights
- Cruise control with speed limiter
- Deadlocking and immobiliser
- Eco-Mode
- Electric Parking Brake
- Front fog lamps with cornering function
- Gear Change Indicator
- Hill start assist
- Height adjustable drivers seat
- 3 point rear centre seatbelt
- Electronic immobiliser
- ISOFIX Child seat anchorage points on rear outer seats
- Integrated C shape indicators with side repeaters
- Rear parking sensors
- R.A.D (Renault Anti Intruder Device) auto closure – righthand
- Seats - height adjustable front seatbelts with double pretensioners
- Side impact protection bars
- Tyre pressure monitor system
- 3 points rear center seatbelt
- Tyre inflation kit
- Tyre Pressure Monitor

**Exterior**

- 17” alloy wheels – ATHENA
- Body side mouldings with chrome inserts
- Electric folding automatic and heated door mirrors
- Extra tinted windows
- Roof rails – Chrome look
- Shark fin Antenna

**Interior**

- 7” Screen with smartphone integration
- Bluetooth connectivity*
- FM/AM/DAB tuner, 4 x20W speakers with 3D sound
- R-Link 2 multimedia system: 7” touchscreen, TomTom™ LIVE services with Western European Mapping, FM/AM/DAB tuner, Bluetooth™ audio streaming and hands-free calls, USB and AUX sockets, voice control, navigation at centre, Lane departure warning, Multi positional boot floor
- 3 button retractable key
- 2 rear USB sockets
- Apple CarPlay™ & Android Auto™

---

**ATHENA - 17” alloy wheels**

- Back-illuminated central console
- Daylight/nightlight rear-view mirror
- Digital speedometer (TFT Screen)
- Heated rear screen
- Sliding front centre armrest
- Window – tinted rear and tailgate
- Windscreen wipers – Automatic with variable speed adjustment
- 3 button retractable key

**Connectivity and Sound System**

- Screen with smartphone integration
- Bluetooth connectivity
- FM/AM/DAB tuner, 4x20W speakers with 3D sound
- R-Link 2 multimedia system: 7” touchscreen, TomTom™ LIVE services with Western European Mapping, FM/AM/DAB tuner, Bluetooth™ audio streaming and hands-free calls, USB and AUX sockets, voice control, navigation at centre, Lane departure warning, Multi positional boot floor
- 3 button retractable key

---

**ATHENA - 17” alloy wheels**

- QD/FIX Child seat anchorage points on rear outer seats
- Integrated C shape indicators with side repeaters
- Rear parking sensors
- R.A.D (Renault Anti Intruder Device) auto closure – righthand
- Seats - height adjustable front seatbelts with double pretensioners
- Side impact protection bars
- Tyre pressure monitor system

Standard features

S EDITION (additional equipment to Iconic)

Driving Assistance
- LED high & low beam headlights with LED turn indicators
- LED fog lamps with cornering function

Exterior
- 17” alloy wheels - EVADO
- Chrome finish fog light surrounds
- Fixed glass panoramic roof
- Ceramic Grey front and rear skid plates
- Side and boot kick plates

Interior
- Black fabric upholstery with Blue top-stitching
- Auto-dimming rear-view mirror

Connectivity and Sound System*
- R-LINK 2 multimedia system: 7” touchscreen, TomTom™ LIVE services with Western European mapping, FM/DAB/DAB+ tuner, Bluetooth® audio streaming and hands-free calls, USB and AUX sockets, voice control, vehicle applications
- Two rear USB sockets
- 4x35W speakers with 3D sound

GT LINE (additional equipment to S Edition)

Driving Assistance
- AEBS – Active Emergency Braking
- Blind spot warning with lateral sensors
- Over-speed and traffic sign recognition
- Flank Protection

Exterior
- 19” Diamond cut ‘POSEIDON’ alloy wheels
- Front Grille with chrome enrichment
- Adamantium front & rear skid plates

Interior
- Dark Blue 3D TEP fabric with synthetic leather upholstery with Blue top-stitching
- Carbon Black Leather Upholstery with synthetic leather headrest
- Leather steering wheel

Comfort and Convenience
- Hands-Free Parking
- Heated front seats and electrically adjustable driver’s seat (front/tilt, height and recline)
- Driver and passenger cushion length extender

Connectivity and Sound System
- BOSE™ energy efficient sound system: 7 speakers with a digital amplifier + 1 sub-woofer

*WLTP figures shown are for comparability purposes, only comparability figures will include treated to the same technical parameters. Actual real-world driving results may vary depending on factors such as weather conditions, driving style, vehicle load and any accessories fitted after registration. WLTP is a new test used for fuel consumption and CO2 figures however for the time being on first registration is still based on the outgoing (NEDC) test cycle. The CO2 figures NEDC back translated are available at your local dealer. WLTP emissions and consumption values shown are for a standard vehicle with no options. Most Renault cars are fitted with an optional spare wheel at no extra cost, which will typically increase the WLTP CO2 emissions by 1 g/km. Your dealer will be able to confirm the CO2 emissions of your selected car with its specified options.

**SERVICING INTERVALS**

- 20,000 km or 1 year whichever is the sooner

**Renault Bank**

At Renault Bank, we pride ourselves on being:

- Flexible. We have flexible payment plans. We can tailor the term, the deposit or the repayment to meet your needs.
- Competitive. We offer competitive rates and attractive finance packages you will not find anywhere else.
- Simple. We provide an easy application process, quick decision and minimum paperwork, all at your Local Dealer.
- Creditable. We are part of one of Europe's largest motor finance companies and offer financial services to millions of customers everyday.

Renault Bank is a trading name of RCI Banque Branch Ireland, a wholly owned subsidiary of the Renault Group. RCI Banque is regulated by the Central Bank of Ireland for conduct of business purposes.

**Renault Warranty**

New Kadjar comes with a 5 year / 200,000km Renault manufacturer warranty. For further details please visit www.renault.ie/services/renault-warranty**
