15 safety features

As part of the human first program, Renault Triber comes with more than 15 safety features to ensure your safety and that of the passengers.

electronic stability program
Automatically corrects your car's trajectory so you avoid dangerous skids.

reverse parking sensor
Ultrasonic sensors in the rear bumper measure the distance between the vehicle and an obstacle.

traction control system
Limits wheel slip during starting, acceleration and braking.

front & side airbag* - driver & passenger
Four airbags offer increased protection.

hill start assist
Maintains brake pressure for two seconds, preventing rollback when you move away on a steep slope.

tyre pressure monitoring system
Displays the tyre pressure status in real-time.

15 safety features

- rear seat belt reminder
- driver - front and side airbag*
- front passenger - front and side airbag*
- ABS + EBD with brake assist
- electronic stability program
- tyre pressure monitoring system
- traction control system

accessories

illuminated logo
Add character to your Tribier by fitting and flaunting a lit-up Renault logo on its back.

roof carrier
A bolder presence and lots of extra space – that's what the solid roof rack carries along.

alloy wheels
The subtle and remarkable silver alloys add a style element to the car.

chrome garnish on front grille
First impressions matter so make it a lot more stunning with chrome accents on the grille.

seat covers
Enhance the cabin look with a range of seat covers.

the human first program is a comprehensive safety program developed by Renault in collaboration with researchers, experts and the fire service.

because road safety concerns all road users, whether they are pedestrians, cyclists or motorists. the human first program by Renault undertakes to:

- 1. prevent accidents by developing safety equipment and advanced driving and safety assistance systems**
up to 36 advanced driving assistance systems / more than 60 safety systems, up to 7 airbags, child seats (Isofix), Renault's Fixe4sure solution / more than 2,000 safety-related patents filed since 1970
- 2. reduce the number of accidents and their severity by investing massively in R&D**
safety score / safety coach / connected services / big data / artificial intelligence and cybersecurity systems

find out more about the human first program

Renault care service

We are always by your side to make your driving experience easier and save you time with the maintenance of your Renault: online quotes and appointments, fixed price packages, maintenance contracts, insurance and assistance, personalised My Renault program, etc. Renault vehicles now come with a standard warranty of 3 years or 100 000 kms, whichever is earlier. Take advantage of our simple and fast solutions, tailored to your needs.
