

Renault India registers sales of 12,143 units in September 2016

New Delhi, October 04, 2016: Renault India, one of the fastest growing automotive brands in India, registered monthly sales of **12,143** units in September 2016 as against **1,781** units in the corresponding month last year. The cumulative sales figure for the period **Jan-Sep** stands at **98,978** as against **28,340** in the corresponding period last year, thereby registering a growth of **249.25%**.

Renault India recently launched the KWID 1.0L SCe (SMART CONTROL efficiency), which has been optimally designed for better performance and excellent drivability, suited for customers looking to purchase a more powerful option in the compact hatchback segment. Apart from the KWID 1.0L SCe, Renault India also introduced the Lodgy World Edition in July and the New Duster range earlier this year with a perfect blend of design, styling, space, performance, safety and class leading fuel efficiency.

Together with its product offensive strategy to drive volumes in India, Renault is also substantially increasing its sales and network reach in India. From the current network strength of 250 outlets, Renault aims to increase its reach to 270 outlets by the end of 2016. These efforts are further accentuated by a clear strategy to enhance the customer brand experience, with several unique and pioneering customer oriented activities.
