- ✓ **Eco-Friendly & Affordable:** Enhances fuel efficiency while ensuring sustainability
- ✓ **Warranty & Safety:** Comes with a three-year warranty and standardized fitment
- ✓ **Phased Rollout:** Launching in key states, with nationwide expansion planned.
- ✓ **Competitive Pricing:** ₹79,500 for Triber & Kiger, ₹75,000 for Kwid

**New Delhi, 24<sup>th</sup> February 2025:** Renault India, a wholly owned subsidiary of Renault Group, announces availability of government approved CNG retrofitment kits across all its models Kiger, Triber, and Kwid. This initiative does not only expand Renault's reach to new set of customers but also underscores Renault's commitment to providing eco-friendly and efficient mobility solutions.

Strengthening commitment to customer centricity and peace of mind for the customers all CNG retrofitment cars will come with three-year warranty.

**Mr. Venkatram M., Managing Director and Country CEO, Renault India, said,** *"Our commitment to innovation and sustainability drives us to continuously improve our offerings. The introduction of the Govt. approved CNG retrofitment kit across all models are a testament to our dedication to providing eco-friendly and smart solutions for our customers. We believe this initiative will make Renault cars even more accessible and practical, solidifying our position in India."*

The CNG retrofitment kit is available for all variants and models except automatic and Turbo variants. The CNG kit is a retrofit carried out through a preferred vendor, using a homologated kit that meets all safety and performance standards.

The development and customisation of the fitment is detailed to the smallest hardware packaged as a kit to have uniformity and standardised fitments across the network.

Renault cars with the CNG kits have been duly validated to ensure there is no impact on driving performance ensuring that our customers enjoy the best driving experience.

The CNG retrofitment kit will be made available in a phased manner. Sales will start in five key states of Haryana, UP, Delhi, Gujarat & Maharashtra, contributing 65% of the market and subsequently cover 100% in the coming months.

# PRESS RELEASE

Renault continues to focus on making its cars feature rich and smart, reinforcing its position as one of the most practical choices for SUVs and MPVs in the market. With the introduction of the CNG retrofitment kit, Renault is taking a step towards sustainable and efficient driving solutions.

\*Price of the CNG fitment inclusive of all costs

Triber & Kiger : INR 79,500

Kwid : INR 75,000
