

## HAVE PEACE OF MIND WITH RENAULT SECURE ANY TIME WARRANTY

Renault provides R-Secure Any Time Warranty (ATW) for vehicles to have continued protection against mechanical and electrical failure, even after the expiration of the new vehicle warranty.

This program gives you a coverage of "1 Year / 20,000 Kms". The eligible criteria to get this program is Vehicle age < 7 Years (from policy start date) and Odometer reading < 1,00,000 Kms from new vehicle delivery date. The best part of this program is that you can opt for this program even after expiry of Standard Warranty / Extended Warranty.

Under the R-Secure Any Time Warranty the dealer will replace any part which proves to be defective within the limits of Renault Secure Any Time Warranty (Terms & Conditions applicable) at no charges to the customer for parts and labour.
